Light Source Included: No

Voltage: 120VAC

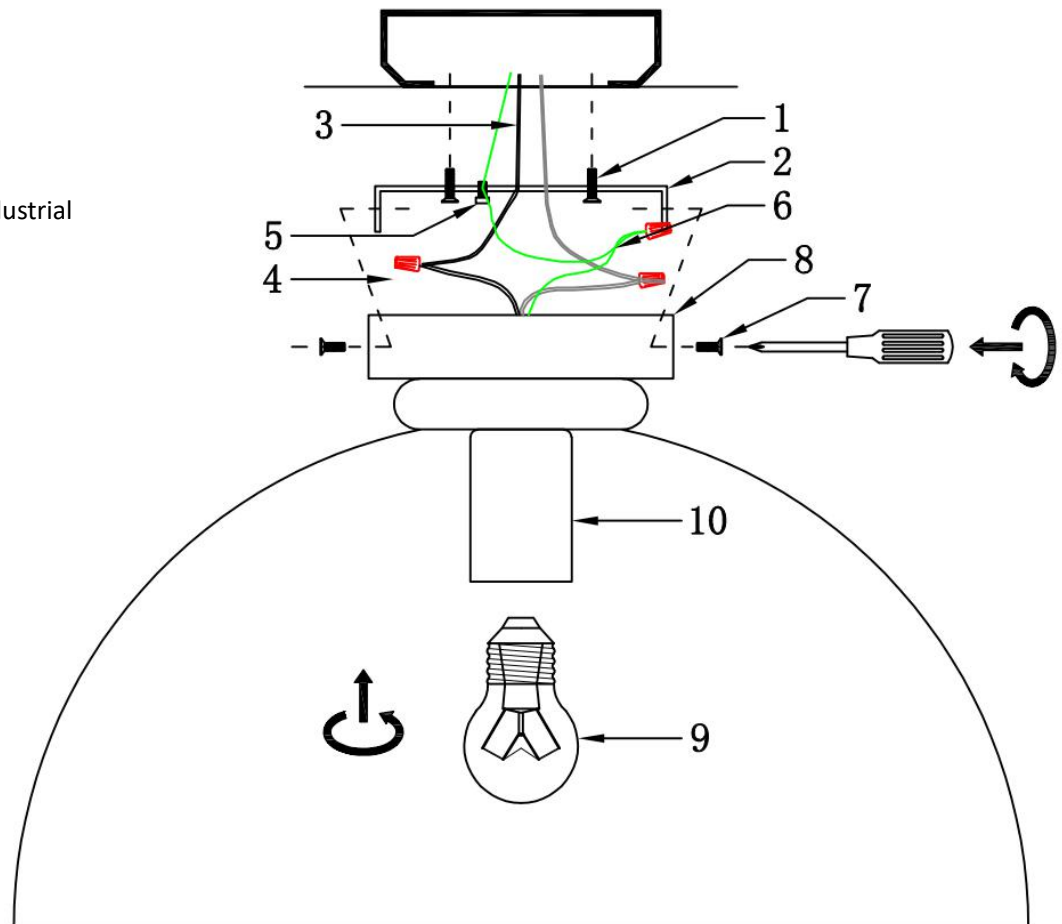

Wattage: 60W

## Package includes

1 x Ceiling Light

1 x Accessory Pack

1 x User's Manual

## Installation Instructions

A. Secure the mounting plate (2) to the junction box using screws (1).

B. Connect the fixture's positive wire (black) to the ceiling's positive wire (+) with a wire cap (4). Likewise, connect the fixture's negative wire (white) to the ceiling's negative wire (-) using another wire cap (4). Ensure that no bare wires are exposed to prevent electrical hazards. Attach the ground wires (6) to the mounting plate (2) using the green screw (5).

C. Insert the mounting plate screws (7) through the two small holes on the side of the canopy (8), then tighten them to secure the light fixture to the mounting plate (2).

D. Install the light bulb (9) into the socket (10) as indicated.

**Note:** Please use this product accordingly to its intended purpose, do not retrofit or remodeling the product. The warranty does not cover if the failure is caused by the third party product, or natural disasters.
