

FULL CHAIR DIMENSION(inch)			
ARM.O.W	26.57	 The technical drawing consists of two views of an office chair. The left view is a front elevation showing the chair's width and height. It labels the overall width as 'W', the width of the backrest as 'W1', the width of the seat as 'W2', the width of the seat base as 'W3', and the height from the floor to the top of the backrest as 'H3'. The right view is a side elevation showing the chair's depth and height. It labels the overall depth as 'D', the depth of the backrest as 'D1', the height of the backrest from the seat as 'H1', the height of the seat from the floor as 'H2', and the total height from the floor as 'H'. The chair has a five-point base with casters.
