

Fitted Pool Table Cover

7-ft and 8-ft

INCLUDES

1 pool table cover.

PRODUCT SET-UP

Position the cover over the top of the pool table with the durable, synthetic leather material facing up.

The cotton fabric lining should be facing down, providing a protective barrier between the cover and the pool table surface.

PRODUCT USE

To maintain a clean, debris-free playsurface, apply the cover whenever the table is not in use.

CARE INFORMATION

Use a damp cloth to wipe down the surface of the cover, when necessary.
