Socket Type: E26

Watts per Socket / Item: 150 / 150

Cord: 6' Silver

Switch: 3-Way Turn Knob

Shade: Off White Linen

Shade Dimensions: 18" x 11"h

The Morse Table Lamp has a secret beneath its shimmering façade. The brown table lamp is not made of ceramic or glass as its sheen implies; it is made of aluminum in an oxidized nickel finish. This is one of our products that illustrates the talent of our finish artisans to achieve texture and create material references that fool the eye. We've topped the Morse with a drum shade.
