The diagram illustrates the assembly of the H series bracket. At the top, the assembly equation is shown: **H** = **H1** + **H2** + **H3** + **H4**. The components are defined as follows:

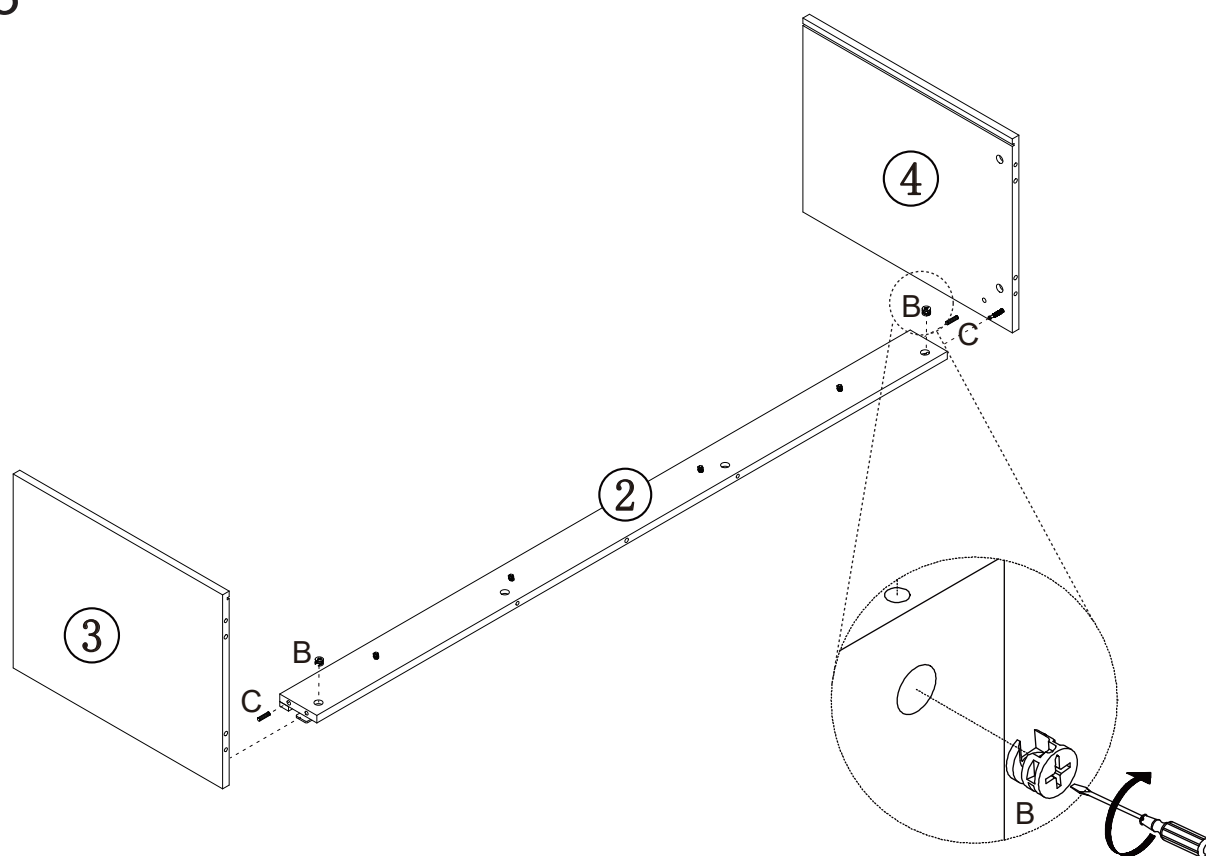

- H**: The complete assembly.
- H1**: The main bracket arm.
- H2**: The mounting plate.
- H3**: The mounting bracket.
- H4**: The mounting screw.

The assembly steps are numbered 1 through 4:

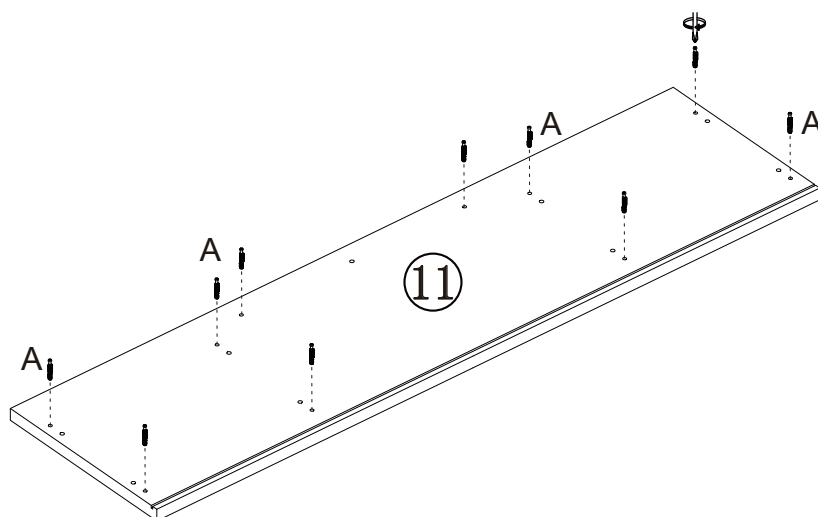

- Step 1**: Mounting the main bracket arm (H1) to the mounting plate (H2) using the mounting bracket (H3) and mounting screw (H4).
- Step 2**: Mounting the mounting plate (H2) to the mounting bracket (H3) and mounting screw (H4).
- Step 3**: Mounting the mounting bracket (H3) to the mounting screw (H4).
- Step 4**: Mounting the mounting screw (H4) to the mounting bracket (H3).

The diagram also includes a detailed view of the mounting bracket (H3) and mounting screw (H4) assembly, showing the correct orientation and placement of the components.
