Assembly & Installation Instructions

Dear Customer :

Thank you for choosing us!

We appreciate your business. Should you have **any questions** or encounter **any issues**, please don't hesitate to contact us. You can reach us via email at **support@4modernhome.com** or by **calling 469-312-6428**. Our team is dedicated to ensuring your complete **satisfaction** with your purchase. We value your feedback, as it helps future customers in making informed decisions. We encourage you to share your experience by leaving a brief product review on the platform where you made the purchase. Once again, thank you for choosing us!

Best regards!
[Support Team]

Warning: If any special control devices are used with this fixture, follow the instructions carefully to assure full compliance with N.E.C.requirements. If there are any questions, contact a qualified electric contractor.

Warning: California Residents Proposition 65 This product contains lead, a chemical known to the state of California to cause cancer and birth defects or other reproductive harm. Do not place the product in your mouth. Wash your hands after handling this product.

Caution: It is highly recommended to get an electrician to install this light. Please make sure to turn the electricity off at the main circuit breaker before beginning installation. All glass is fragile. Use care when handling glass component(s) and/or lamp(s).

- Step 1: Lock the hand ring onto the lamp body and connect a suitable length of suspension chain
 - Step 2: Unscrew screw J from lamp body H and remove lamp body I
 - Step 3: Twist the bulb K onto the lamp body H
 - Step 4: Use screw J to fix and tighten lower lamp body I onto lamp body H
 - Step 5: Use screw D to lock the hanging plate C on the junction box A
 - Step 6: Connect the black, white and ground wires of the lamp body with the input wires respectively with the terminal B
 - Step 7: Cover the junction box with the ceiling plate E and tighten the hanging ring F
- Installation completed

Applicable bulb type:
 B10、 B11、 C35 、 C7、 C9 ...

WIRE CONNECTION DIAGRAM

Wires meeting safety standards are required to connect the electrical circuit.

CAUTION: Risk of fire

Please read all instructions carefully. Before you proceed to install, make sure that the power supply is turned off and remains off until installation is completed.
