

MEMOFORM® TECHNOLOGY.

Our exclusive formula for unmatched comfort.

DISCOVER ALL THE BENEFITS

Memoform® is a unique, **breathable, open-cell structure foam** formula that is **pressure-sensitive** but not temperature-sensitive.

It is **water-expanded** and free from chemical agents, ensuring a safe, **non-toxic surface** while maintaining durability and comfort.

It **adapts perfectly to the body's shape**, providing targeted support to every part and ensuring long-lasting, **unparalleled comfort**.
