

USE AND MAINTENANCE

- Use on level surfaces only
- Because this product needs assembly, it is prone to working itself loose from time to time depending on the use. Please take the time to check that all connections are still tight and working properly for safety.
- Only clean using a damp cloth and mild detergent, do not use bleach or abrasive cleaners.

Zero Gravity Chair

PART LIST

1 - Chair

Instructions

1

Unpack the chair

2

Place your hand on the chair backrest by the pillow and your other hand on the seat base near the adjustment tightener

3

Gently pull the chair backrest away from the seat base to open the chair

4

Lay the backrest all the way back

5

Then begin to adjust the position of the backrest upwards

6

Position backrest for sitting

7

Sit in the chair

8

When seated, recline to the desired position by pushing backward on the handles. Locate the position adjustment tighteners under the handles toward front.

9

Tighten the adjustment tighteners to hold your position and enjoy.

10

Congratulations! Setup of your new Zero Gravity Chair is Complete!
