Installation Details

1. As shown in the figure, put the woodenboard on one side of the table first.

2. Link the table to the woodenboard as shown in the figure.

3. Repeat the above steps to install the other side as well.

4. Fix the table legs with 2 screws as shown in the figure.

5. Fix the table legs with 2 screws as shown in the figure.

6. Repeat the above steps and the four table legs have been installed.

7. Stand up the table as shown in the figure.

Extension rod

8. As shown in the figure, the extension rod is extended outward, which can achieve the effect of extending the size of the desktop.

9. As shown by the country, the installation has been completed.
