

JULIAN CHICHESTER

Tio Chest

Horizontal metal bands finished in raw Brass contrast against beautiful high-gloss lacquered Vellum available in two finishes. Four self-closing drawers of varying depths provide concealed storage.

Brass is a hand-applied finish which is moulded and rubbed back by hand. As a result, the finish is unique in both appearance and texture.

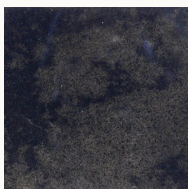

Vellum is a natural skin with no two pieces exactly alike, therefore variation in shade and tone along with physical characteristics are inevitable and may change over time.
