

NAOS 400 is a collection of pendant lamps designed by Alex&Manel Lluscà. Modern and industrial in style, the series has two sizes. The light is projected both through the shade and from the frosted glass diffuser located on the upper part. Between the shade and the diffuser is a decorative metal ring that is included in the white and terracota finishes. This is the version with a 40 cm diameter.

General characteristics

Fixation	Ceiling
voltage	120V
Hertz	60Hz
Cable length	0.02 ft
Max. Power	15W

Material

Body/Structure	Steel + Glass
Diffuser	Glass
Screen	Steel

Finish

Body/Structure	Beige+Terracotta
Diffuser	Opal
Screen	Beige
Location	Dry locations only
US Certification	Fijas cETLus

Lighting characteristics

Light source included	No
Light source	E26 LED
Bulb socket included	Yes
