# Notes

## Installation Precautions

- The compressed cushion liner package needs to be torn open and left to stand for 72 hours before inserting the cushion liner into the cloth cover.
- It is recommended that 2 people work together to assemble the product.

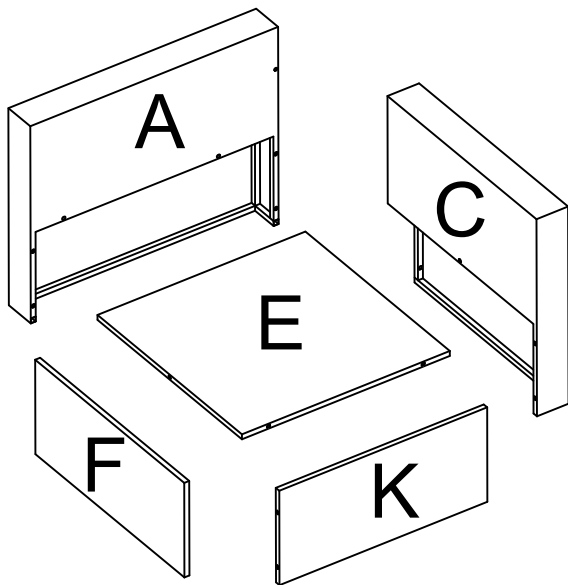

## Return Policy

- Contact the seller in advance for support if you choose to return the product.
- Ensure that the product is in good condition and returned with the original packaging, along with all original proof of purchase, manuals, certificates, and accessories included.
- Disassemble any items that required assembly before returning the product.

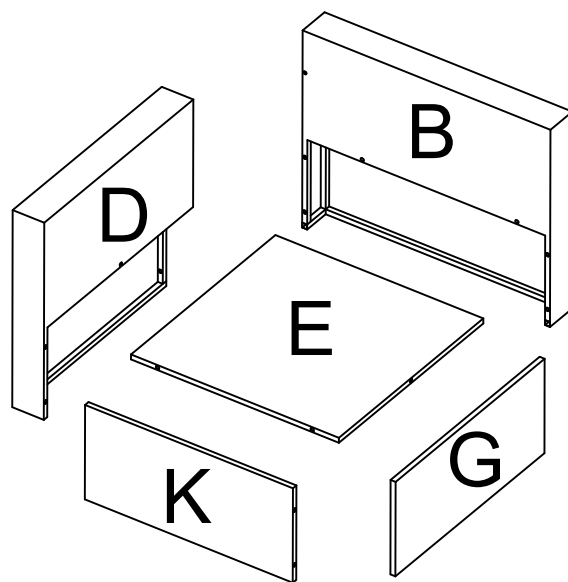

## Warning

Seller is responsible for the product-related issues occurred upon receipt, but will not be responsible for the personal injury, property damage or loss resulting from the incorrect assembly, improper use, inadequate maintenance or neglect of this product.
