

Cotton Mattress Protectors

Our **100% cotton mattress protectors** are designed to help keep your mattress fresh, clean and protected, while adding a soft, breathable layer of comfort to your bed. A good mattress protector is one of the easiest ways to help extend the life of your mattress and protect it from everyday use.

Product Details

Our cotton mattress protectors are made from **100% cotton** and designed to fit all standard **UK mattress sizes**. With a generous **33cm depth**, they suit even deeper mattresses, ensuring a secure fit without slipping or bunching.

The fabric is soft, breathable and comfortable, making it ideal for everyday use. Because it is made from cotton, it offers a natural feel while still helping to protect your mattress underneath.

Non-Allergenic

These mattress protectors are **non-allergenic**, making them a suitable choice for anyone who wants a cleaner, fresher and more comfortable sleep environment. They create a protective barrier between you and your mattress while still allowing the mattress to breathe.

Sizes & Weights Available

Size	Dimensions	Weight
Single	90cm x 190cm	1.1kg
Double	135cm x 190cm	1.6kg
King	150cm x 200cm	1.9kg
Super King	180cm x 200cm	2.25kg

Why Use a Mattress Protector?

A mattress protector helps shield your mattress from everyday marks, moisture, dust and general wear. It is especially important because stains or damage can affect your mattress warranty.

Using a mattress protector from day one is one of the best ways to look after your mattress and keep it feeling cleaner for longer.

Care Instructions

For best results, always follow the care label on the product. We recommend washing the protector regularly to help keep your sleeping area fresh and hygienic.

Please make sure the mattress protector is fully dry before placing it back on your mattress.

Delivery

Delivery time is usually **3–5 working days**, if not sooner. Orders are delivered by a post, and a tracking number will be provided once your order has been dispatched.

Free Nationwide Delivery

We offer **free nationwide delivery** on our cotton mattress protectors, making it easy to protect your mattress whether you shop online or in-store.

Warranty

Any manufacturing defect should be reported straight away. This may include issues such as stitching faults or defects present when the product arrives. Once confirmed, the mattress protector will be replaced.

Please note that normal wear and tear, misuse, washing damage or accidental damage would not be covered.

Lifespan

Under normal use, a mattress protector should be washed regularly and replaced when it begins to show signs of wear, thinning, loss of fit or reduced protection.

Replacing your mattress protector when needed helps keep your mattress clean, fresh and better protected over time.
