The Carmichael Bed fuses traditional and contemporary sensibilities, bringing clean, modern lines to a classic style. The design features a fully upholstered headboard, footboard and side rails, with elegant, tapered solid wood legs. The bed includes a sturdy mattress suspension system which eliminates the need for a box spring. All wood used in the frame and legs is FSC®-Certified, in support of responsible forest management.

Design Trade Professionals: We aim to keep our designs in stock and ready to ship quickly for projects on a tight timeline. Designs may be customized with COM and alternate finishes (minimum quantities may apply). Visit guscontract.com for more information about our Trade & Contract programs.

Carmichael Bed

- Available in King and Queen sizes.
- No box spring required.
- Fits any mattress height, including pillow top.
- Distance from floor to underside of mattress is 10"
- Mattress suspension system uses a reinforced wood frame with solid wood slats for durability/comfort.
- Legs are solid wood with water-based, medium-toned finish.
- Bumpers on the bottom of legs to protect hardwood floors.
- Fits any mattress height, including pillow top.
- Bed frame and legs made with FSC®-Certified hardwood/engineered wood(FSC® 092551).
- Manufactured to meet California TB117-2013 fire safety standards without the use of flame retardant additives in the upholstery foam.
