

Package Includes:

Plastic Anchor*10

A*10

B*4

Towel shelve*2

Toilet paper basket*1

Installation Steps:

Step 1: Put the Bubble Level on the board; When the bubble is in the middle position, it means the shelf is horizontal; Then you can make a mark of the hole position

Step 2: Use a drill to punch holes on your marks, about 2-3mm deeper than the Plastic Anchor

Step 3: Put the Plastic Anchor into the hole, Use the screw A to fix the shelf on the wall

For the best installation of toilet paper basket, we suggest to leave the nails out of the wall for 0.1 in

Step 4: There are 4 pre-drilled holes on two side of the board, Use B screw to connect the storage basket with board,

Step 5: Repeat Step 1 2 3 to fix the basket on the wall (we suggest to leave the nails out of the wall for 0.1 in)
