⚠ WARNING

1. Do not place your hands on the desk frame when turning over the desk, to avoid pinching.
2. Do not put your head under the desk and chair when adjusting the height of the desk and chair.
3. Young children should be guided by adults in their use.
4. The load on the desk and chair set should be within its safe load capacity: desk ≤ 30kg, chair ≤ 80kg.
5. Air circulation should be maintained during use (temperature between 18-28 degrees Celsius, relative humidity between 40%-60%).
6. Do not use this desk and chair set in direct sunlight, next to air conditioning vents, or next to heaters, to reduce the possibility of discolouration or aging.
7. Pay attention to the height level of the desk and chair on both sides, to avoid connecting parts loosening or even deformation caused by slanting or tilting.
8. Do not put high-temperature or ice objects directly on the desktop, to avoid discolouration of the desk panel and left permanent marks, caused by certain temperatures.
9. Do not use sharp objects on the desktop to prevent scratching the panel and affecting its appearance.
10. Dry the water stains on the surface in a timely manner when cleaning the desk and chair set.

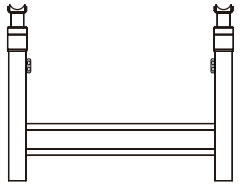

MAINTENANCE INSTRUCTIONS

1. Wipe off the marks left by general water-based pens and watercolour pens with water.
2. Wipe off the marks left by oil-based pens with alcohol or essential oil.
3. Do not use knives to scratch the desktop, though the desktop is moisture-proof, scratch-resistant, and wear-resistant.

① Tighten the screws one by one after ALL the screws are installed when installing the screws. Do not tighten the screws when they are not all installed to avoid adjusting/lifting problems.
② Do not get under or stay under the chair to avoid pinching.
③ Adult installation is required, and keep children away during the installation.
④ Only suitable for children aged 3-18 years.
⑤ Do not use this desk and chair set under direct sunlight, next to air conditioning vents, or next to heaters.
