# CARE AND MAINTENANCE

---

- Only clean using a damp cloth and mild detergent, do not use bleach or abrasive cleaners.
- From time to time check that there are no loose screws on this unit.
- This product should not be discarded with household waste. Take to your local authority waste disposal center.

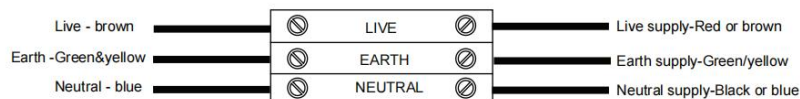

**Note** *If required, the next page can be cut out and used as reference throughout the assembly. Keep this page with these instructions for future reference.*

# ASSEMBLY INSTRUCTIONS

1. Prior to commencing work isolate the power supply cable at the main fuse box.
2. Check that there are no other concealed cables or pipe work in the intended installation area (check the entire area).
3. Lay the mirror down flat on a non-abrasive secure surface. Carefully remove the retaining screws on the water-proof box on the back of the item. Keep the mirrors, screws, and washers in a safe place for later.
4. Pull out the wire through the hole and screw the back panel back into the water-proof box.
5. The mirror is mounted on the wall by means of central hanging brackets.
6. Make sure that it is at the correct height and level. Using a suitable marker through the fixing hole, mark the position of the hole on the wall.
7. Using the correct size drill bit for the wall fixing, drill a hole in the marked location. (Please note that for certain wall types, different wall fixings will be required).
8. Connect the supply cable to the connector block as shown in the wiring diagram.

## WIRING DIAGRAM

9. Ensure the conductors are fully inserted into the terminals and no loose wire strands are protruding. Fully tighten the screws on the terminals making sure that the screw clamps onto the conductor and not the insulation.
10. Fix the mirror to the wall. Wall fixings are not provided with the item. If in doubt about the correct fixings for your wall type or connecting the item to your power supply, please seek professional advice.
11. Do not install within 60cm of direct wet area.

# IF YOU FIND A DEFECTIVE PART

---

We fully stock all parts and components. Any defective part can be quickly replaced. Take note of the defective part number in manual and we will arrange a replacement.

You can email our team at: [customercare@laura-james.co.uk](mailto:customercare@laura-james.co.uk)
