**IMPORTANT ORDERING & INSTALLATION INFORMATION:**

- Before ordering or installing, please consider future access to equipment.
- No access panel. Tub features slotted integrated overflow with toe tap drain.
- Air baths require job site preparations for remote mounting the blower and required check valve. Check valve must be installed higher than the rim of the tub.
- Hydrotherapy equipment may ship loose for remote installation depending on tub model. See package content on the following page for details.
- Radiance placed on floor locations will affect placement of air jets.
- Faucet valves cannot be installed on this tub model.

• Before discarding tub crate, check for accessories that may be packaged inside.  
 • All product measurements are ±1/2".  
 • Specifications and configurations are subject to change without notice.  
 • Measurements herein supersede all others published prior to publication date below.
