Tree Floor Lamp User Manual

Thank you for purchasing our product. Please read the following instructions carefully before assembly. If you have any question, please contact us

Scan the QR code on the last page of the manual, or go to our official website to view the installation video.

• Cautions

1. When opening the package with a sharp tool like a utility knife, be careful not to damage the components inside.
2. Carefully remove all packaging materials and keep them for future use.
3. Keep all hardware parts and packaging out of the reach of small children.
4. Please check whether the packing list is complete. If there are missing or damaged accessories, please contact us
5. Choose a clean, level, spacious assembly area. Avoid hard surfaces that may damage the product.
6. Take care when lifting. Assemble the product in close proximity to where you intend to position it.
7. Do not over tighten the screws as this may damage the threads.
8. After finishing the assembly, place the product on a flat surface and ensure it is stable before use.
9. Do not allow children to play with this product.
10. If you have any question, please contact us on

• Cleaning & Maintenance

1. Prolonged exposure to heat sources may cause glazing, melting, and scorching, or even cause the color to fade.
2. Regular vacuuming or light brushing helps to remove dirt.
3. Periodically (every 90 days), make sure that the screws are fully tightened.

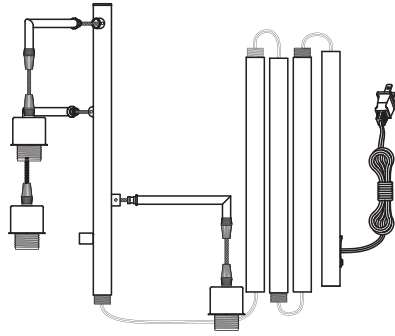

• Warranty

Make it cozy, make it home. Which is the goal that we have been pursuing. We'd like to provide the best product and service to you. We provide a 24-month warranty for you (Excludes incorrect installation or other man-made damage). If you have any questions or suggestions, please feel free to contact us

• Package List

A. Lamp Pole

B. Base X 1

D. M4 Screw X 6

(3 pcs pre-installed on the lamp pole, 3 pcs spare)

F. Lamp Holder Ring X 3

C. Shade X 3

E. M4 Wrench X 1

G. Bulb X 3

• Assembly Instructions

①-④ Assemble the lamps stand. Starting from the top and working down, connect the 4 segments of the lamp pole to each other.

⑤ Connect the assembled lamp pole to the base.

⑥ Insert the 3 L-shaped welded pipes into the holes in the lamp stand. Secure each connection by inserting one of the provided screws (D) and tightening with the provided wrench (E).

Note: The screws have been pre-installed in each hole. You only need to loosen them, insert the L-shaped pole and then tighten them.

⑦ Tighten the lamp sockets onto the L-shaped tubes.

⑧-⑩ Install the lampshade, lampholder ring, and bulb in sequence.

Note: This floor lamp can only be adapted to dimmable bulbs.
