

APEX™ SERIES

GAS LIFT TASK CHAIR

MADE BY  MARCO™

DESCRIPTION

The Apex series gas lift task chair has the same modern and ergonomic design as the stacking chair with the addition of the five star base allowing for easier mobility and pneumatic height adjustment. The patented seat shape is contoured to provide maximum comfort throughout the day. The seat has a contoured back that is shaped and angled for sitting upright or in a slightly reclined position. The front edge of the seat is swept downward for productive, over the desk task work. The stylish shape allows freedom of movement, functional support, and a great value.

FEATURES

- Brackets are welded to underside of frame for added strength
- 5-star base with 2" hooded swivel casters
- Pneumatic lift provides easy height adjustment
- Height adjusts from 16" to 20"

OPTIONAL BELL GLIDES AVAILABLE.

Model # 98-1018 (Sold in sets of 5)
