Aakasha 1

D2779S55573-4740

Aakasha 1 is a remarkable work on canvas displaying a striking interplay between figurative and representative styles. In the center of the composition, the viewer's gaze is immediately drawn toward a clearly defined face before trailing down toward increasingly abstracted features, scribbled writings, and geometric forms. Careful brushstrokes convey a masterful separation of subject and background that is at once distinct and blurred. A muted color palette of powder ash and grey chateau quietly convey this piece's subtle nuance. A beautiful addition to ART by TA.
