This distinctive walnut writing desk was inspired by the works of the late architect, Douglas Honnold. Considered a master of Hollywood Moderne design, the lines of this writing desk reflect his signature design elements including the thin bar style Golden Brass pulls, the continuous horizontal fluting that wraps the exterior and the mitered corners. Standard with five drawers fitted with Blum soft-close guides as well as a pop-up power station with two USB ports and two AC ports. Standard in the Honnald River Rock finish. Optional finishes available as HC9093-70.
