

# ART HANGING INSTRUCTION

## RECOMMENDED TOOLS

Drill

Tape Measure

Hammer

Level

Pencil

## HARDWARE

Anchors

Screws

## MOUNT ART TO DRYWALL SURFACE AS FOLLOWS:

1. Mark wall anchor locations; make certain the marks are level and spaced apart as necessary

3. Tap the supplied drywall anchors firmly into drilled holes

2. Drill holes, 3/16" diameter through drywall

4. Carefully drive the drywall screws into the anchors, leaving the screw heading protruding from the wall surface as follows:

Thin Bar Frames 3/4"

Thick Bar Frames 1 1/2"

5. Hang your art and enjoy!
