

ASSEMBLY INSTRUCTIONS

Important

Please read the assembly instruction carefully before assembling.

- The bed frame is packed with 1 carton in KD style.
- Check you have all the parts and tools listing on the second page.
- Always assemble on a level, even surface.
- Do not use any power tools as this may damage the frame.
- Secure all parts and bolts loosely, Tighten all bolts and screws when the bed frame is fully assemble.

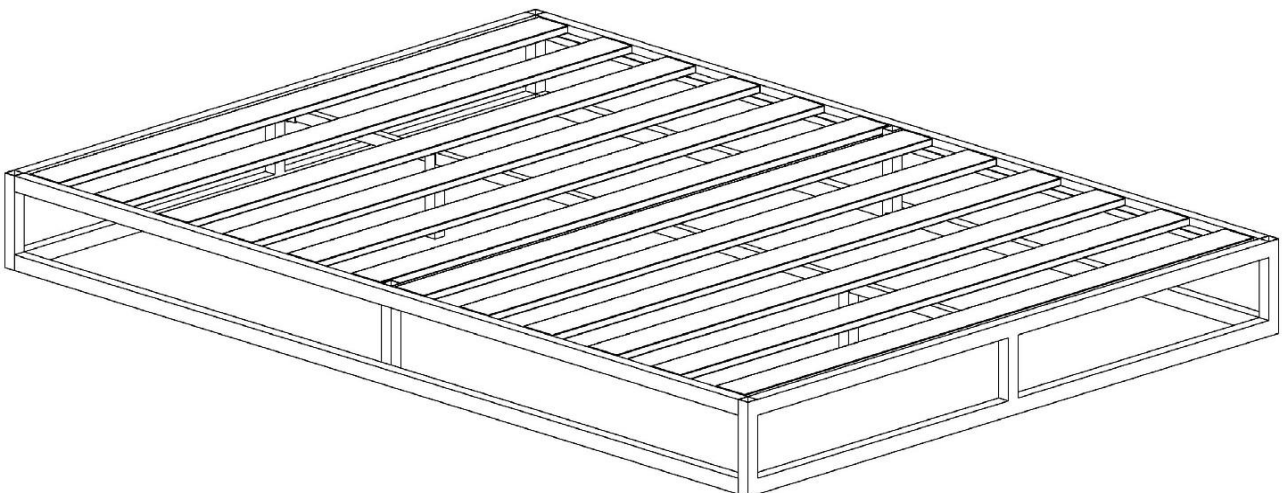

Safety and Care Advice

- Always lift the bed with two people for re-positioning.
- Keep small parts out of reach of small children for safety.
- Stop using this bed frame if any parts are missing, damaged or worn.
- Periodically check all screws and fixings are fully tighten.
- Keep the frame away from direct sunshine.

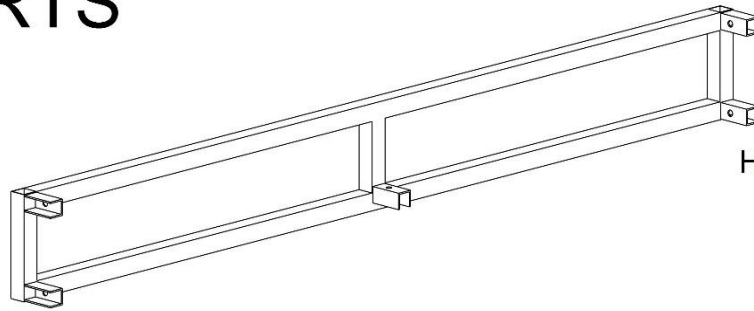

WARNING:

If this bed is placed on a non-carpeted floor please place feet pads under all legs to prevent the bed frame from moving.

If this is not adhered to there is no guarantee if the bed frame collapses.
