Lampshade installation diagram:

1. There is an opening at the circular hole on the top of the lampshade (as shown in Figure 1), then evenly fix them on the iron ring.
2. After the unified installation is completed, remove the circular ring at the lamp head, install the lampshade at the lamp head, then use the circular ring to firmly fix it, and install the bulb, as shown in Figure 2.
3. Press the lampshade from the middle of the lampshade outward and downward with both hands to unfold it.
4. After the lampshade is unfolded, as shown in Figure 4.
