Pay Attention:

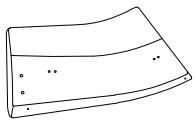

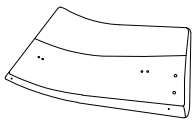

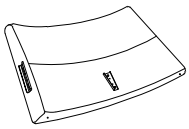

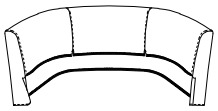

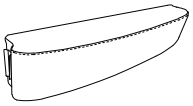

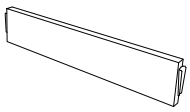

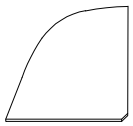

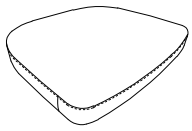

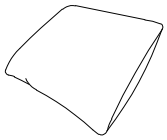

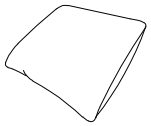

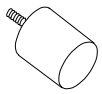

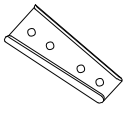

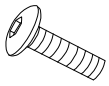

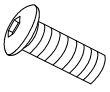

When the vacuum packages to be opened up that might be wrinkles at that stage, which will need you to place them on the chair for few days after assembling, and they will be recovered afterwards.
So we highly recommend you to sit on chair more often during this period that helps to expedite the recover time accordingly.

The chair comes with 3 cartons, which may arrive at different dates, please be patient and wait until all 3 cartons arrive before starting the installation. Thank you very much for your favor.
