61318-2 • Kento Lamp

29h x 10.5w x 10.5d
Ceramic
Shiga/Brown Ombre Glaze

The Kento Lamp, part of the Shiga collection, is a beautifully crafted piece that draws inspiration from the natural elements of Japan. Hand-turned using sandy clay sourced from the bed of Lake Biwa, this lamp showcases the unique textures and tones of its native material. The subtle ombré effect transitions from light, earthy beige at the top to a deep, dark hue at the base, creating a harmonious gradient.
