

Technical drawing of a 16x30 inch arched window. The drawing shows a cross-section of the window with a 16" width and a 30" height. The arch has a radius of 8" (R8"). The window is divided into 10 horizontal panes. The dimensions are labeled as follows:

- Overall width: 16"
- Overall height: 30"
- Arch radius: R8"
- Inner width: 12"
- Inner height: 26"
- Side clearance: 2" (on both sides)
- Bottom clearance: 2"
- Top clearance: 2"

A diagram of a vertical rectangular panel. The width is labeled as $1\frac{1}{2}"$ at the top. The height is labeled as $30'$ on the right side. The panel is divided into two vertical sections by a thin line. The left section is shaded gray, and the right section is white. Dashed lines indicate the dimensions and the division.

A black and white line drawing of a window. The window has a semi-circular arch at the top and is covered with horizontal blinds. The frame is simple and rectangular, with the arch integrated into the top. The blinds are represented by several horizontal lines of varying lengths, suggesting they are partially open. The drawing is done in a clean, minimalist style with no shading or texture.

VENTING AREA: 23.69 SQ IN
LOUVER HEIGHT: 2 7/8"
LOUVER QTY: 9
