

Introduction

Do not discard any contents until after assembly is complete to avoid accidentally discarding small parts or hardware.

Package includes

A		1
B		1
C		2
D		1
E		1
F		1
G		1
H		1
I		1

Product Size

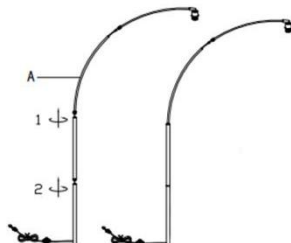

Specification

Product Name	Floor Lamp
Max Wattage	60W
Bulb Base	E26
Product Size	L42.3" x W16.9" x H76.8"
Product Material	Metal
Base Material	Marble
Switch Type	Foot Switch on/off

Assembly Instructions

1. First, connect the straight section to the elbow and tighten it clockwise. Then, connect the straight tube to the straight tube and tighten it clockwise.

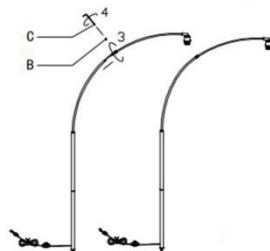

You may need to pull any excess cord gently through the poles so that these two parts fit.

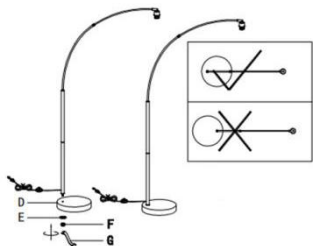

2. Insert the tube into the lower tube and then tighten it with a screw (B) using the wrench (C).

Note: Part C (Hexagon Screw) is located on the pipes.

You may need to pull any excess cord gently through the poles so that these two parts fit.

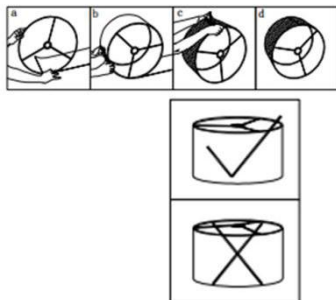

3. Insert tube (A) into base (D) and washer (E). Then, tighten it with the nut (F) using the wrench (G).

4. Align the cloth cover with both ends of the shadow frame until the iron frame is completely wrapped. Then, bond the ends of the cloth cover.

Note that at the top of the shadow, the iron ring is recessed in the shade.

5. Place shade (H) onto the socket holder and turn the socket ring (I) until it is tight to secure shade.

Note: Part I (Socket Ring) is located on the socket holder.

6. Install the E26/medium base bulb on the lamp cap (Bulb sold separately).
