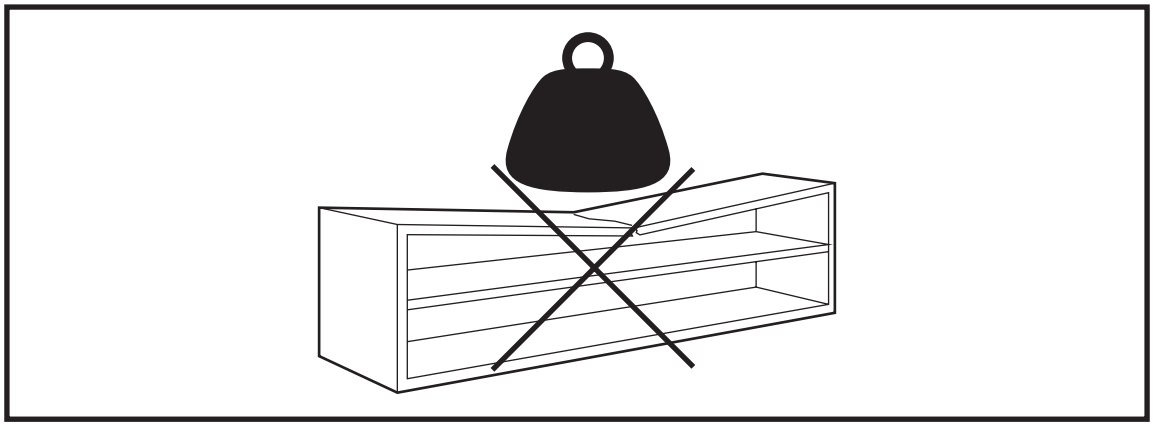
Warning

Serious or fatal crushing injuries may occur if the furniture tip-over.
Furniture must permanently affixed to the wall with included anti-tipping device in order to prevent the furniture from tipping over.

Different wall materials requires different types of wall anchors or screws. Use a suitable wall anchors or screws for your specific wall in order to secure the stability and load bearing capacity of the furniture. If you are uncertain about which type of device to use, please contact us or your local hardware store.



Warning

Only place items on top of the product if they meet the recommended size and weight limits.

Climbing on, stepping on, or placing overweighted objects on the product may cause property damage and/or injuries.

Items placed onto this product must be resting on a support surface without hanging over the edges.

⚠ WARNING

For use with televisions weighing 70lbs (31.8kg) or less. Use with heavier televisions may result in instability, causing tip over resulting in death or serious injury.

Death or serious injury may occur when children climb on audio and/or video equipment furniture. A remote control or toys placed on the furnishing may encourage a child to climb on the furnishing and as a result the furnishing may tip over on to the child.

Relocating audio and/or video equipment to furniture not specifically designed to support audio and/or video equipment may result in death or serious injury due to the furnishing collapsing or over turning onto a child.

⚠ NOTICE

The recommended maximum width of the television is 85 inches. Do not exceed the maximum load capacity.
This product is designed for flat panel TVs only.

FURNITURE CARE AND MAINTENANCE

Medium - Density Fiberboard

Thank you for your purchase. We want your item to last as long as possible.
To ensure the product gives you years of longevity, please follow the recommendations in this care and maintenance guide.

MAINTENANCE

- Tighten all bolts and screws again within the first 2 weeks of assembly.
- Check the tightness of all bolts every 2 months and tighten them if necessary.

CLEANING

- Clean the surface of the MDF (medium - density fiberboard) with a lightly dampened cloth.
- A small amount of mild soap can be used if necessary.
- Dry the surface immediately after cleaning.

⚠ DO NOT use bleach or alcohol to clean the surface.
⚠ DO NOT apply wood treatment on parts made with MDF.

MDF will swell and distort when exposed to water damage. Make sure to dry the furniture immediately after cleaning.

⚠ WARNING

The manufacturer and seller are not responsible for any and all liability relating to personal injury, property damage or losses, whether direct, indirect, or incidental, resulting from the incorrect attachment, improper use, inadequate maintenance, unapproved modification or neglect of this product.

WARRANTY

Products come with a 1-year warranty from the date of delivery.
Register your product on our website to enjoy our limited lifetime warranty!

AFTER-SALE SERVICE
