

Mai Small Mirror

#6255

This small beveled mirror surrounded by an extra-wide frame clad in antique brass sheet makes a stunning wall hanging piece. Use in multiples and/or in combination with (6256) to cover a wall for some true drama. Saw tooth hanger.

Information

Material Information:: This clad finish is entirely hand applied. Over time and exposure to oxygen it will begin to slowly age, giving it an old world patina. It is intentional and as always, with bending and working with iron there are going to be natural imperfections.
