step 1 ---Cut the plastic air compression bags

Take out the roll of compressed cushion from the box.

Cut open the compression bag along the paper strip on the roll bag. Full recovery may take up to 48 hours, but you can gently slap the sofa to speed up the process.

Please exercise caution when opening the packaging to avoid injury or damage to the product.

step 2 ---Take out the cushion cover

Open the bag, take out the back cushion cover (M) and seat cushion cover (I).

step 3 ---Put on the cushion cover

How to Put on the Cushion Cover

1.Take the cushion covers and inner out of the carton.

2.Fold the inner in half, pushing the sides together,then begin to slide the cover onto it.

3.Align both far corners, then gently compress insert while fitting cover around it.

4.To avoid a stuck zipper, please pull the fabric away from the zipper before moving forward.

5.When all done, please pat the cushion or give it a little shake to make it more flat.

step 4 ---Fix the Iron Plate (E)

Secure the iron plate (E) to the Middle Leg (C). Use the provided allen wrench (3) to tighten the bolt (1).

The side of the iron sheet with the threaded holes is facing outward.

step 5 ---Connect the Front Bars (D)

Align the Front Bars (D) with the iron plate installed in the previous step. Use the provided allen wrench (3) to tighten the bolts (1) on both parts of the Iron Plate as shown.

Notice:

We suggest tightening the bolts for 30-50% first, make sure the process is correct and bolt holes are aligned, then fully tightening them all.

step 6 ---Install the Wood Frame Bars (H)

Align the Wood Frame Bars (H) with the designated grooves on both the Left and Right Arms (B&A), as shown. Place one washer (8) on each bolt (6), then use the provided allen wrench(3) to tighten all bolts.

First add one flat washer on each bolt as shown, use the allen wrench provided to tighten all the bolts by 30-50% first, make sure that all bolts are aligned correctly before fully tightening.

step 7 ---Place the Hammer Nuts & Connect the Left and Right Parts

Insert the Hammer Nuts (4) into the pre-drilled holes on the Front Bars. Ensure the holes on the side of the Hammer Nuts align with the holes on the sides of the Front Bars. Place one flat washer (8) on each bolt (9). Then, use the provided allen wrench(3) to secure the Left and Right Legs to the Front Bars as shown. Tighten all bolts to 80%

First add one flat washer on each bolt as shown, use the allen wrench provided to tighten all the bolts by 30-50% first, make sure that all bolts are aligned correctly before fully tightening.

step 8 ---Secure the Middle Leg (C)

Flip the assembled unit over as shown. Use the provided allen wrench to tighten the bolts (6) and washers (8) connecting the Wood Frame Bars and the Middle Leg.

First add one flat washer on each bolt as shown, use the allen wrench provided to tighten all the bolts by 30-50% first, make sure that all bolts are aligned correctly before fully tightening.

step 9 ---Install the Back Frames (K)&(J)

Stand the assembled unit on its legs. Install the Back Frames to the Arms as shown. Use the provided allen wrench to fully tighten all bolts and washers including from previous steps.

First add one flat washer on each bolt as shown, use the allen wrench provided to tighten all the bolts by 30-50% first, make sure that all bolts are aligned correctly before fully tightening.

step 10 ---Tighten the Back Frames

Place one washer on each bolt, then use the provided allen wrench to fix the Middle Leg with the Back Frames as shown.

First add one flat washer on each bolt as shown, use the allen wrench provided to tighten all the bolts by 30-50% first, make sure that all bolts are aligned correctly before fully tightening.

step 11 ---Install the Plastic Caps (5)

Place the Plastic Caps (5) to cover all bolt holes, as shown.

s t e p - - - Place the Seat
cushion (F)

Turn the Back cushion & Sea
facing up.

Place the Seat cushion(G) c

Place the Back cushion(F) c

step 13 ---Assemble complete

Assemble complete! Thank you for choosing our product!
Please enjoy!
