1. ASSEMBLY PREPARATION AND TIPS FOR ASSEMBLY

- 1). Remove all packaging materials, staples and packing straps from the carton.
- 2). Refer to Parts List and Hardware List, and ensure parts and hardware are correct before assembly.
Contact customer service for missing parts.
- 3). Place all parts on a clean, flat and soft surface (e.g. carpet or rug) to prevent scratch and damage to parts.
- 4). Allow ample room for assembly and assemble the product near where the product will be placed.
- 5). During assembly, do not over-tighten any fittings as this may cause damage.
- 6). Always place the product on a flat, level surface.

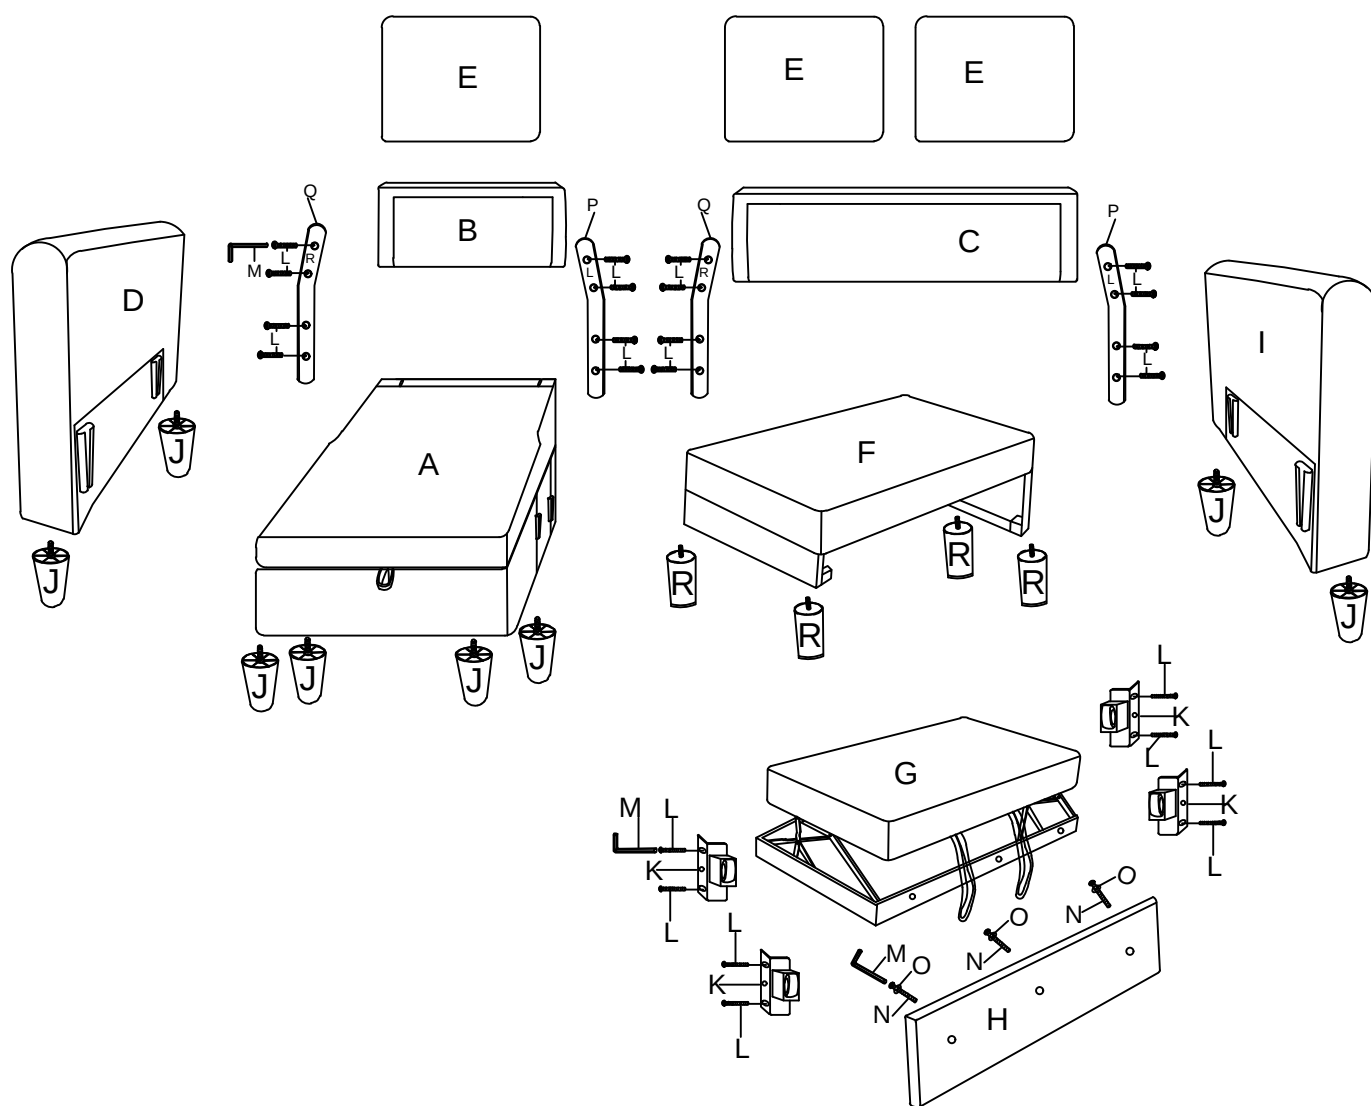

2. MAINTENANCE

- 1). Avoid direct sunlight, use blackout curtains or adjust placement to prevent fading and fiber brittleness.
- 2). Do not use bleach or rough tools to avoid scratching the fabric.
- 3). Use anti fouling pads when eating, and pet households should regularly clean their hair.

3. DAILY CARE

- 1). Use a vacuum cleaner to remove surface dust weekly, focusing on cleaning crevices and corner areas, and avoid using hard brush heads to prevent fabric damage.
- 2). Stain Removal: Immediately press and absorb spills with a clean towel. For oil stains, use baking soda to absorb and gently brush. For blood stains, dab lightly with cold salt water on deep cleaning.
- 3). Quarterly, dilute the fabric-specific cleaner and gently wipe. After cleaning, ensure ventilation or use a hairdryer on the cold setting to speed up drying.
- 4). Removable sofa covers require hand washing.
