DIMENSIONS: 34h x 32dia.

MATERIAL: Wrought Iron

FINISH: Brass

FREIGHT INFORMATION: Motor Freight (MF)

ITEM WT: 28

PKG WT: 46

FEATURES:

With lines that look as if they were inspired by a Cubist painter, our Umberto Chandelier has an abstract appeal that can cross many stylistic lines. Made of artful wrought iron spikes in a brass finish fitted with black metal shades, this eight-light chandelier will dazzle a mid-century modern home, a transitional design theme or a contemporary room. The interiors of the shades add to the warmth of the illumination that wafts from this imaginative fixture.
