

# Dining Table

Assembly Instructions - Please keep for future reference

## Safety and Care Advice

- Important: Please read these instructions fully before starting assembly.
- Do not discard any of the packaging until you have checked that you have all the parts and the pack of fittings.
- Discard all extra fittings and keep fittings out of reach of children.
- Assemble this product on a flat and protected surface.
- Assemble all parts and bolts loosely during assembly, only once the product is complete should you fully tighten the bolts.
- Assemble this product as close to its final position (in the same room) as possible.
- At least 2 people are required to assemble this product.

### Warnings:

- This product should only be used on firm, level ground.
- Make sure the legs remain in contact with the ground.
- Do not stand on the product.

### Care and maintenance:

- Please clean the product using either damp (not wet) cloth and a mild domestic soap solution or by using an appropriate polish.
- Do not use abrasive materials when cleaning.
- From time to time, check that there are no loose bolts on this unit.
