Propane Tank Cover Use and Care Instructions

Use and Care Manual

Safety information

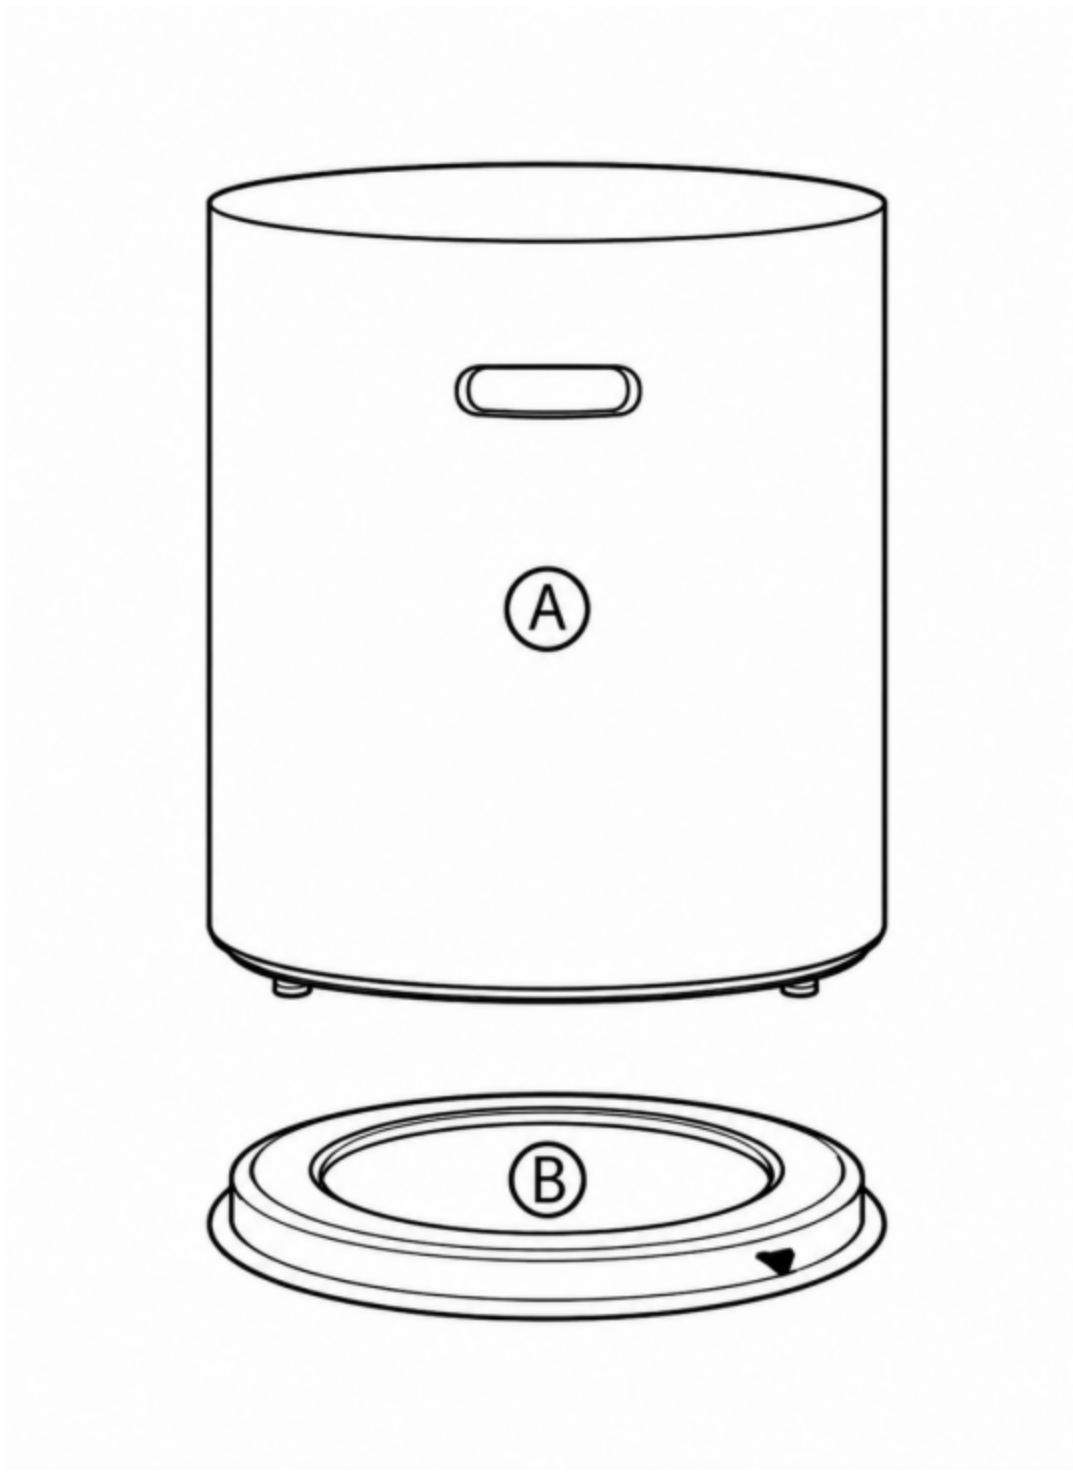

Before you assemble or operate this unit, please carefully read this entire manual. Failure to do so may result in serious injury.

⚠ WARNING

- Maximum weight capacity: This item can withstand an additional weight of 30 lbs.
- This item is intended for outdoor use only.
- Do not use near flammable or combustible objects.
- Storage of this item indoors is permissible only if the tank is disconnected and properly stored outdoors.
- Young children should be carefully supervised when in the vicinity of this item.
- Do not sit on this item.
- Always place this item on a hard, level non-combustible surface such as concrete, rock or stone.
- This item must be used ONLY outdoors in a well ventilated space and shall not be used inside a building, garage or any enclosed area.
- This item is designed for use with a 20 lbs. liquid propane gas (LP) tank (not included).
- This item is not to be installed or used in or on any recreational vehicle or boat.
- Do not attempt to transport this item with a gas tank installed.

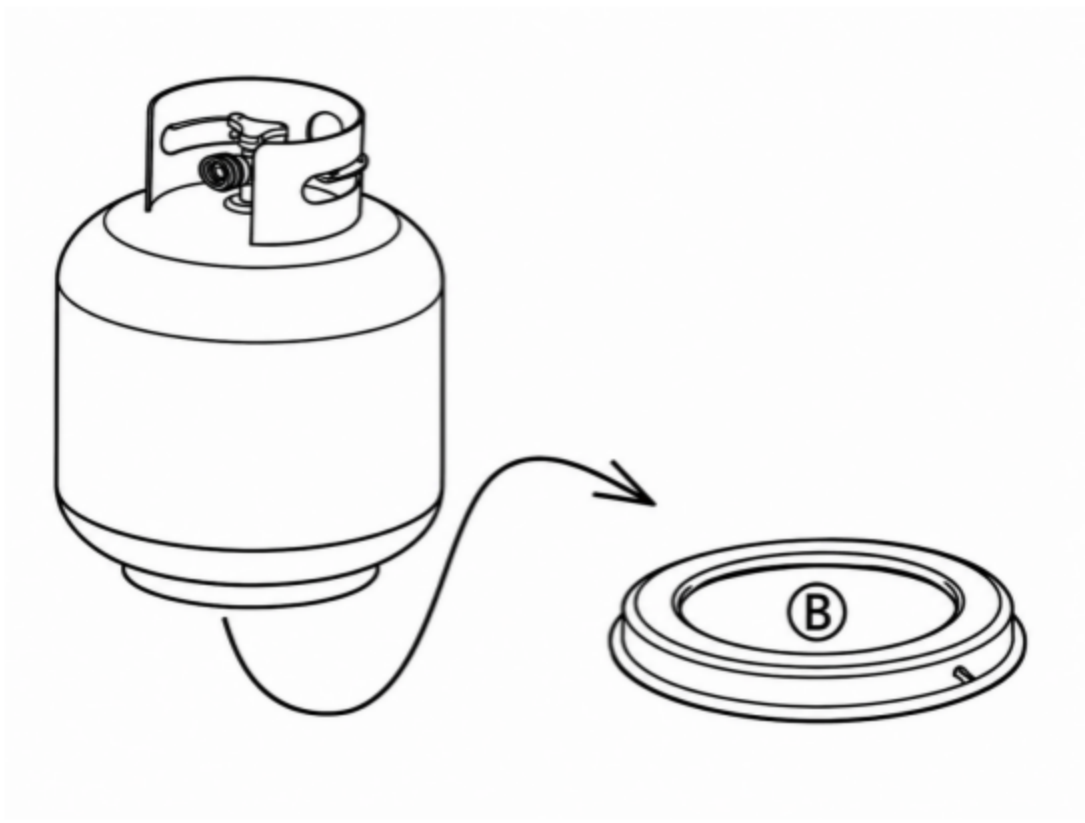

Parts List

ITEM	DESCRIPTION	QUANTITY
A	Propane Tank Cover	1 pc
B	Metal Stand (wing screw and feet pre-assembled)	1 pc

Assembly

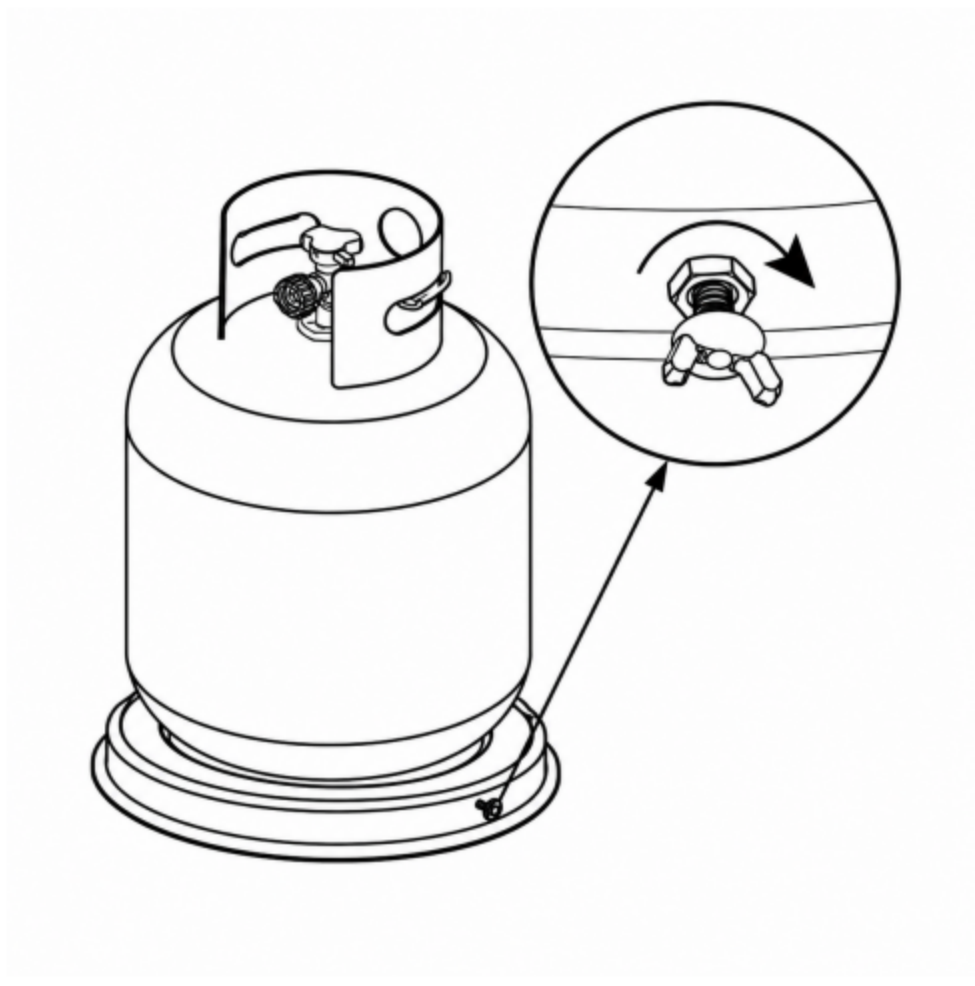

Step 1.

1. Place 20 lb propane tank (not included) onto the metal stand (B).

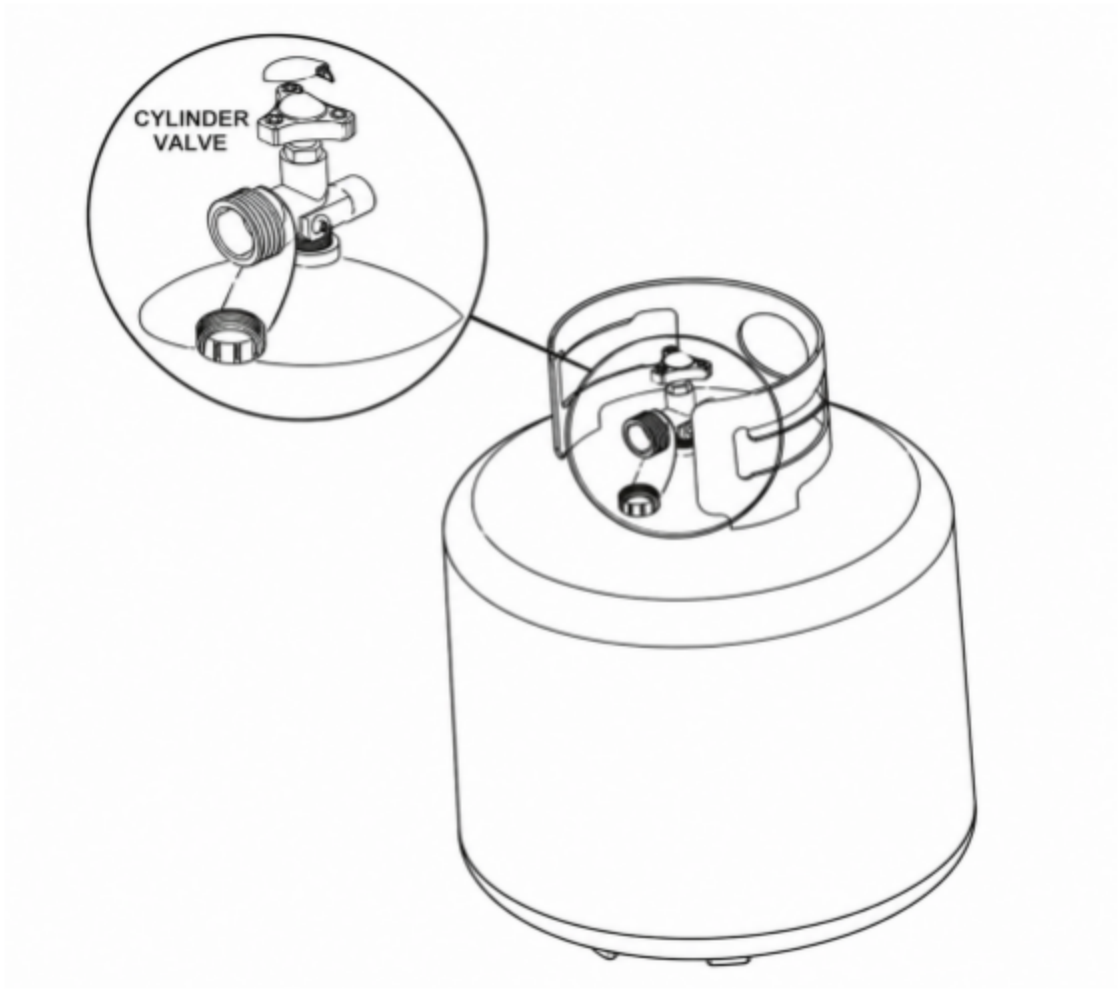

Make sure the gas tank is sitting securely on the metal stand (B).

Step 2.

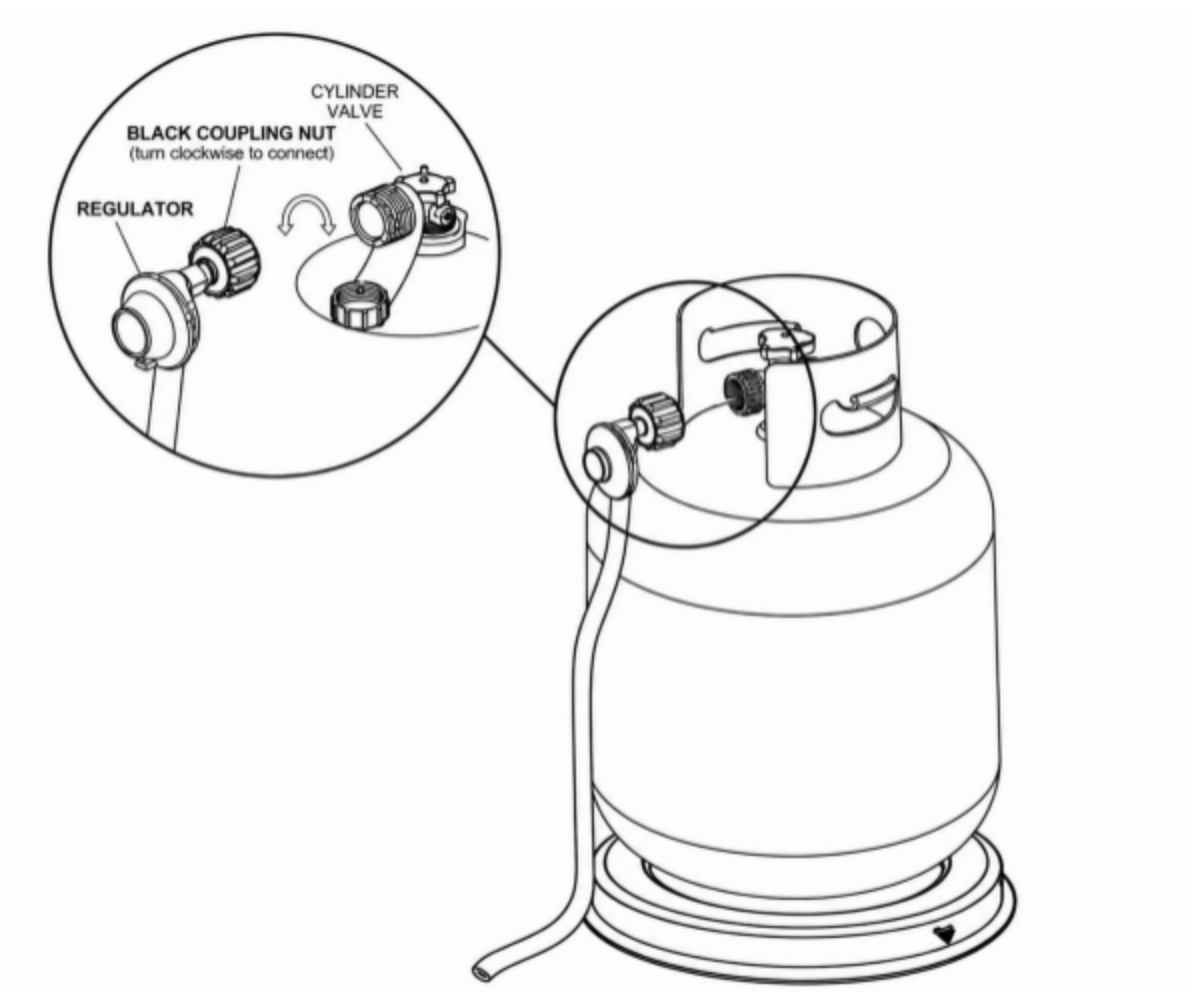

2. Turn the wing screw on the outer part of the metal stand (B) clockwise to secure the gas tank.

Step 3.

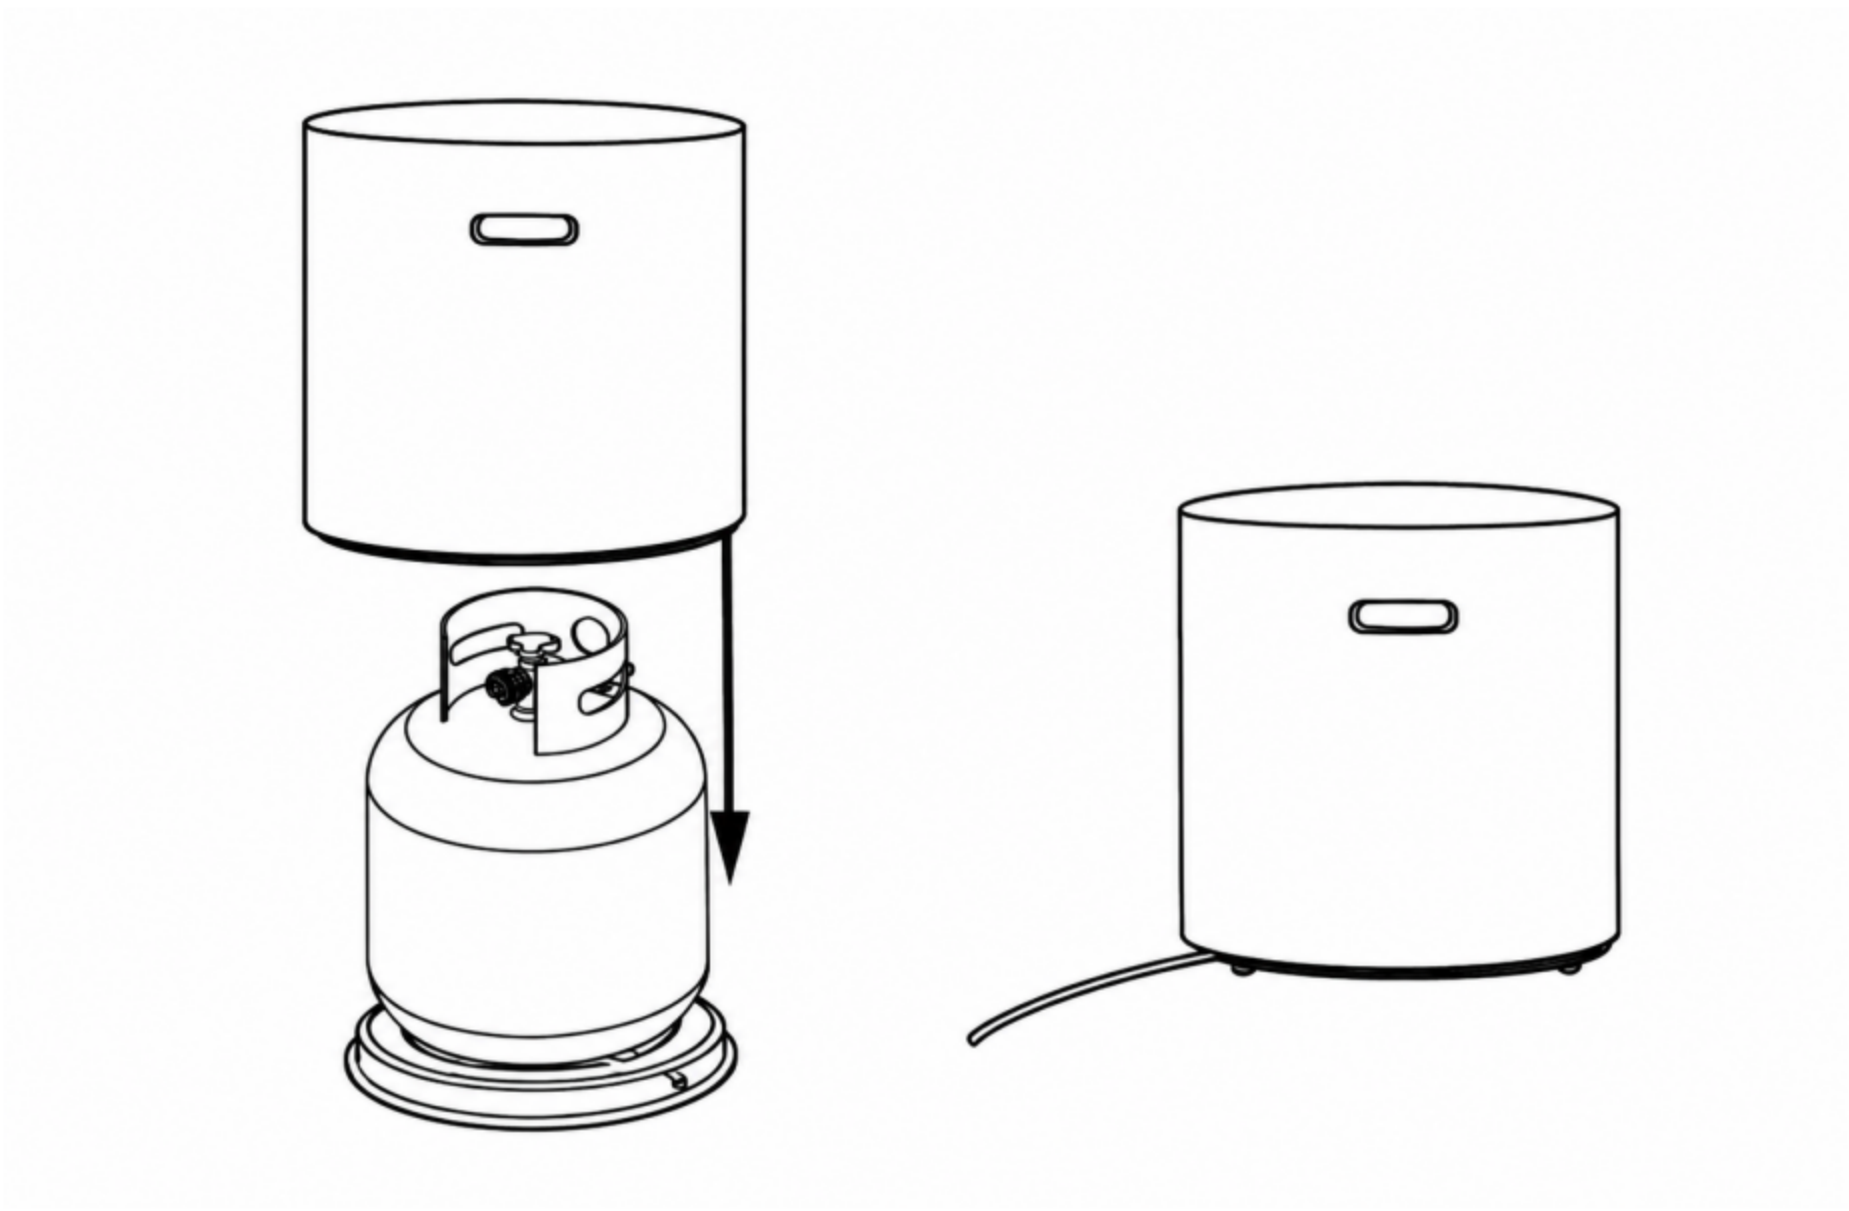

3. Turn the cylinder valve on the tank clockwise to close the propane tank.

Step 4.

4. Attach the regulator (from your appliance) to the cylinder valve by turning the regulator coupling nut clockwise. Make sure it is fastened securely and tighten connections by hand only.

Step 5.

5. Place the tank cover (A) over the top of the propane tank and place onto the metal stand (B).

Maintenance

- Store the item in a cool dry place away from direct sunlight.
- The propane gas tank must be disconnected and removed from the item before this item may be stored indoors.
- Use manufacturer approved or supplied replacement parts and accessories only. Otherwise may void the warranty of this product and result in a hazardous condition.
- Keep the item free and clear from combustible materials.

Warranty

The manufacturer warranty will be voided by, and manufacturer disclaims any responsibility for, the following actions:

- Modification of the unit and/or components.
- Use of any component part not manufactured or approved by Manufacturer.
- Use and installation other than what is listed in this manual.
- Please contact the manufacturer for replacement parts.
