

Congratulations on the purchase of your new Glass Cabinet! We've made it very easy to install. Follow all instructions carefully.

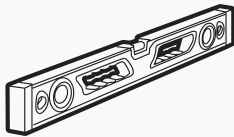

Be Careful when using a knife or box cutter to open the packaging. Please read every step in the instructions before you begin installation. You are responsible for assembling, installing and taking care of your Glass Cabinet according to the instructions. Users who fail to heed the instruction run the risk of injury, so please be careful and work with caution.

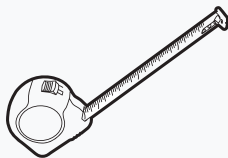

REQUIRED AND RECOMMENDED TOOLS

Drill/Driver

Level

Tape Measure

Lead Pencil

HARDWARE INCLUDED PER YOUR ORDER

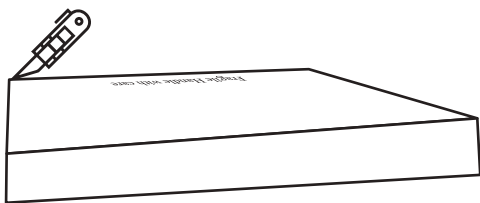

Anchor
(Qty - 2)

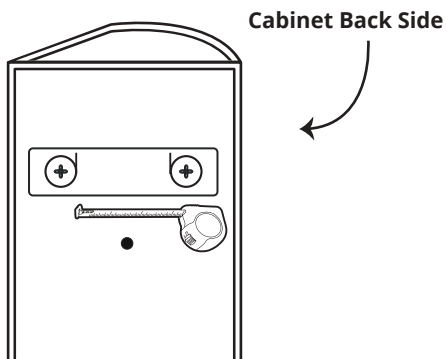

Screw
(Qty - 2)

1

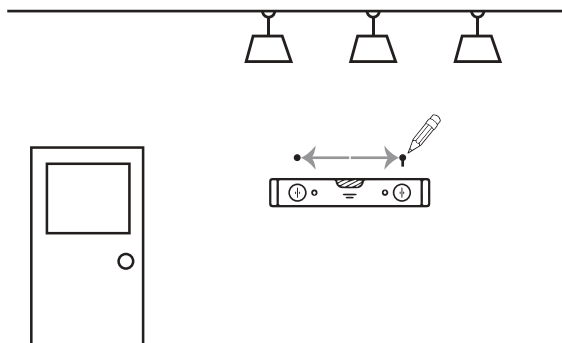

Remove the cabinet and accessories from the packaging, as per picture.

2

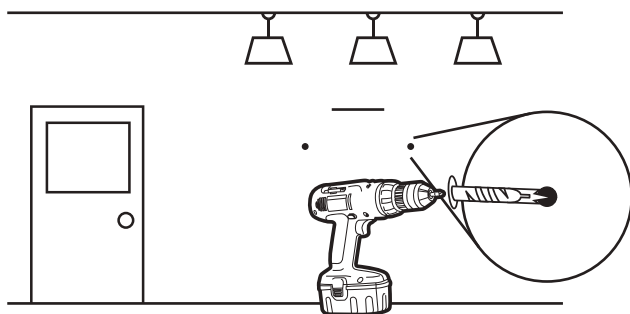

Measure the distance between the two mounting holes on the back of the cabinet.

3

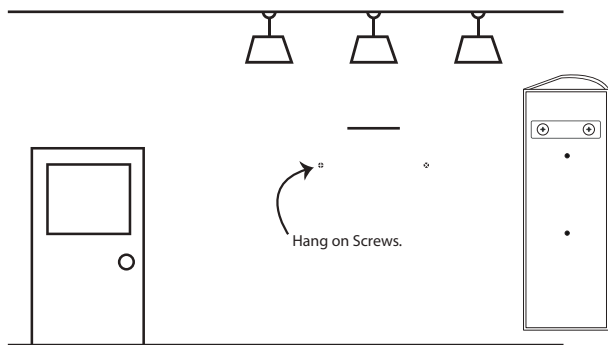

Using the measuring tape and LEAD pencil, mark the points on the wall where you will install the screws to hang the cabinet.

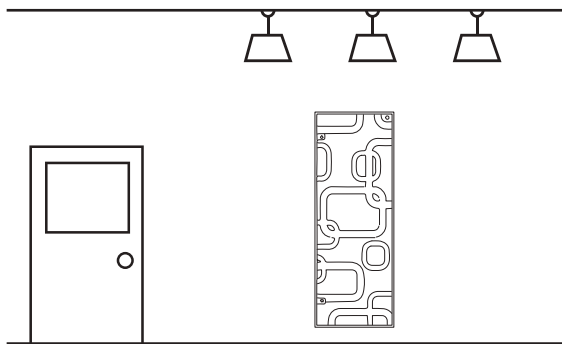

4

Drill the screws into the wall.

Hang the corner glass cabinet on the wall.

Congratulations!
Your glass cabinet is ready for use!
