- \* Estimated Assembly Time : 10 minutes.
- \* Tools required for Assembly (included) : Allen Key

## CARE AND MAINTENANCE

**WOOD CARE:** Adhesive felt pads should always be applied to areas of furniture which make direct contact with flooring, said application will prevent damage to the furniture and or surfaces on which the furniture lies. Objects placed on articles of furniture should rest on nonabrasive material as to prevent damage to the wood finish. Wipe up spills immediately and avoid common hazards such as hot dishes, harsh solvents and abrasives. Cleaning should be done with a soft lint free cotton cloth dampened with water or furniture polish.

**UPHOLSTERY CARE:** To prevent overall soiling, frequent vacuuming or light brushing is recommended. Cushions and pillows should be turned on a weekly basis. Down-filled cushions should be brushed rather than vacuumed. Spot clean should undertake a complete overall cleaning. The use of steam or water-based cleaners may cause excessive shrinking or staining.
