

Dog House Roof Assembly Update

Dear Client,

New and Improved B Screws

We've updated the **B screws** for attaching the three wood strips to your doghouse roof.

What's new?

Upgraded Screws: Longer for improved stability and durability.

Two Options Available:

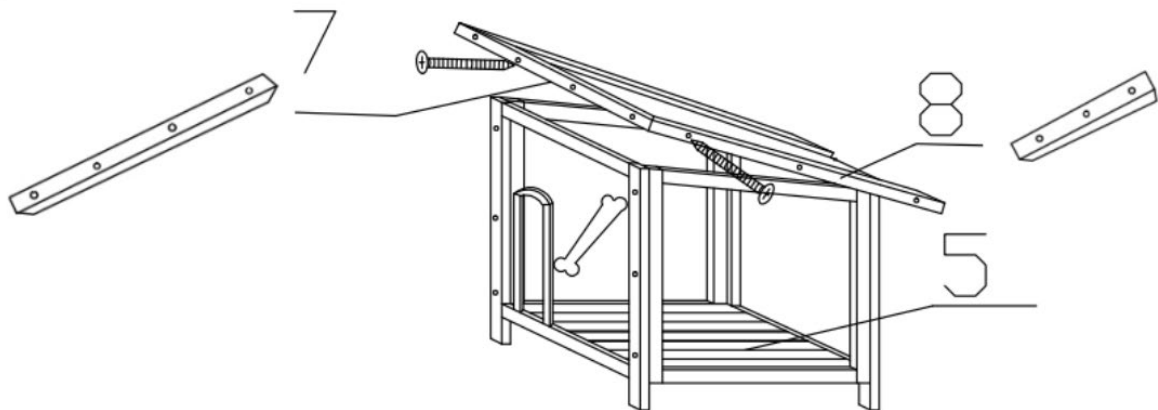

1. Shorter screws - Original size.
2. Longer screws - Upgraded size.

Both screw sizes work perfectly with your doghouse. Choose based on your preference!

Assembly Instructions

1. Use the provided **B screws (3.5 x 25mm)** to attach the wood strips (one Part 7 and two Part 8) to the roof frame.
2. Ensure the screws are firmly secured for a stable fit.
3. Double-check alignment for a neat finish.

Visual Quick Guide:

B 3.5*25=10PCS

Included in the Package

- **B Screws:** 3.5 x 25 mm – 10 Pieces
- **A pair of gloves**
