

180 Watt Food Slicer with 8.7" Blade (FS-250)

Slice meat, cheese, bread, vegetables and fruit quickly and easily with the NESCO FS-250 Food Slicer. Features include a variable thickness control dial that lets you decide the thickness of your slices. Choose from deli thin to 9/16" thick. The 180-watt motor provides the power to slice and the large multi-purpose 8.7" stainless steel blade can handle a wide range of food sizes and shapes. Both the food carriage and blade are removable for quick cleanup. A recessed power switch ensures safe use and eliminates accidental engagement while non-slip feet provide a stable base on most surfaces. The NESCO FS-250 Food Slicer is designed for elegance and high performance so you can skip the deli line.
