Step 1, put ② table leg on ③ table leg, use "A" part to fix it from the bottom hole of ③ table leg, and use "B" part to tighten "A" screw.

NOTE:

1. ② Table leg must be placed on ③ Table leg.

Step 2: Fasten the 3 parts "C" to the table top. Next, place the table top on the table legs and adjust the holes with part "D" so that the table legs fit perfectly on the table top. Finally, put the stickers on the screws.
