Inspired by vintage dressing room mirrors, Oval Mirror is simple and streamlined. A practical and versatile mirror, use it in the bathroom, hallway or dressing-room. Oval Mirror forms series by Norm Architects, each mirror made with a powder-coated metal frame, featuring gently rounded corners.

About the Designer

Norm Architects was founded in 2008 by Jonas Bjerre-Poulsen and Kasper Rønn. Norm works within residential architecture, commercial interiors, industrial design, photography, graphics and art direction. The name 'Norm' signifies the importance of drawing inspiration from norms and traditions within the fields of architecture and aesthetics, which have been refined throughout the centuries. Norm makes a virtue of focusing on quality, durability and timelessness. Their objective is to produce design which applies good materials and craftsmanship whilst embodying beauty, traditions, history and most importantly, timelessness.
