

MODEL: CLOUD-HARMONY SECTIONAL SOFA

OWNER'S MANUAL & ASSEMBLY GUIDE

IMPORTANT SAFETY & PREPARATION

READ FIRST: For your safety and to ensure proper assembly, please read all instructions before beginning.

- **Team Lift:** This product is heavy. Assembly requires **at least two adults**.
 - **Safe Space:** Clear a large, clean area near where the sofa will be placed. Assemble on a soft surface (carpet, blanket) to prevent damage to floors and parts.
 - **Inspect:** Upon unboxing, inspect all parts for any transit damage. Contact customer service immediately if any part is damaged or missing.
 - **Care with Fabric:** Handle cushions and fabric covers carefully during assembly to avoid snags, tears, or stains.
-

PACKAGE CONTENTS

Your modular sofa comes in multiple boxes. Please verify you have all labeled boxes before discarding any packaging.

Box Label	Contents	Qty
A	Main Chaise Section (with attached back)	1
B	Corner Connector Section	1
C	Armless Chair Section	1
D	Right-Arm Section	1
E	Seat Cushions	4
F	Back Cushions	4

Box Label	Contents	Qty
--	Hardware Kit (Included in Box A)	1

Hardware Kit Includes:

- Connector Bolts (M10 x 50mm) – 6 pieces
 - Locking Washers – 6 pieces
 - Hex Key (L-shaped) – 1 piece
 - Protective Gloves – 2 pairs
 - Fabric Conditioner Sample – 1 sachet
-

PRE-ASSEMBLY: MODULAR LAYOUT PLANNING

The CLOUD-HARMONY is a **reconfigurable sectional**. Decide on your preferred layout before final assembly. Two common arrangements are:

- **Standard L-Shape:** (Left-facing) Assemble in order: **[A - Chaise] + [B - Corner] + [C - Armless] + [D - Right Arm]**.
- **Extended Lounge:** (Right-facing) Assemble in order: **[D - Right Arm] + [C - Armless] + [B - Corner] + [A - Chaise]**.

Note: Sections can only connect in sequential order (e.g., you cannot connect Section A directly to Section D).

ASSEMBLY INSTRUCTIONS

Step 1: Position the Base Sections

1. Wearing the provided gloves, move each base section (**A, B, C, D**) to your cleared assembly area.
2. Place them roughly in your chosen layout order, **oriented correctly** (ensure the chaise extension of Section A is on the intended side).
3. Remove any plastic film from the wooden frames and legs.

Step 2: Connect the Sections

This is the key structural step.

1. Start with your first two sections (e.g., A and B).
2. Align them so the metal connector plates on the sides are touching. You will see pre-drilled holes on both plates.
3. From **beneath the sofa**, insert a **connector bolt** through the aligned holes. Add a **locking washer** to the end of the bolt.
4. Using the **hex key**, tighten the bolt firmly until the two sections are pulled tightly together with **no visible gap**. Do not overtighten.
5. Repeat this process for the remaining sections in your layout. Each connection point uses **two bolts** (front and back).

Step 3: Attach the Cushions

1. Place all **seat cushions (E)** onto the corresponding bench seats.
2. Place all **back cushions (F)** against the backrests. The taller cushions typically belong on the chaise (A) and corner (B) sections.
3. Fluff and pat all cushions to allow the high-resiliency foam to expand and settle into shape. This may take 24-48 hours.

Step 4: Final Placement & Adjustment

1. With your helper, carefully move the fully assembled sofa to its final location. **Lift, never drag.**
2. Once in place, ensure all legs are firmly on the floor. You can slightly adjust the sofa's position by lifting and shifting to eliminate any rocking.
3. Give all connector bolts a final check to ensure they are secure.

CARE & MAINTENANCE

- **Regular Care:** Vacuum fabric weekly using a brush attachment to remove dust and crumbs. Fluff and rotate seat and back cushions monthly to ensure even wear.
- **Spot Cleaning:** Blot spills immediately with a clean, absorbent cloth. For stains, use a mild upholstery cleaner or a solution of warm water and mild dish soap. **Always test any cleaner on a hidden area first.**
- **Fabric Protection:** We recommend applying a professional fabric protector for added stain resistance. The provided conditioner sample can be used to refresh the fabric's feel.

- **Avoid:**

- ☐ Direct, prolonged sunlight to prevent fading.
 - ☐ Sharp objects and pet claws.
 - ☐ Harsh chemicals, bleach, or steam cleaners.
-

CONFIGURATION TIPS & WARRANTY

- **Reconfiguring:** To change your layout, simply loosen and remove the connector bolts, rearrange the sections, and re-bolt them together following Step 2.
- **Stability:** If sections feel slightly loose after reconfiguration, tightening the connector bolts again usually resolves it.

Warranty:

This sofa is covered by a **3-year limited warranty** on the frame and a **1-year warranty** on cushions and fabric against manufacturing defects.
