Introduction

Thank you for purchasing our traditional floor lamp, please read the following instructions carefully before use.

Cautions

1. When opening the package with a sharp tool like a utility knife, take care not to damage the internal components.
2. Carefully remove all packaging materials and keep them for future use.
3. Keep all hardware parts and packaging out of the reach of small children.
4. Do not allow children to play with this product.
5. Please make sure that the voltage is 100-120V, which is standard for US.
This product can only be used between 100-120V.
6. Please check whether the packing list is complete. If there are any missing or damaged accessories, please contact us via e-mail (us@sunmory.com) or Customer Service for a replacement.
7. Note: Bulb not included.

Warranty and Our mission

Light the world, Warm your heart, which is the goal that we have been pursuing. We'd like to provide the best lamps and service to you. We provide a 12-month warranty for you. If you have any questions or suggestions, please contact us (E-mail: us@sunmory.com) soon, we would do our best to solve the problem and improve ourselves. Wish you enjoy the lamp and our service.

Package List

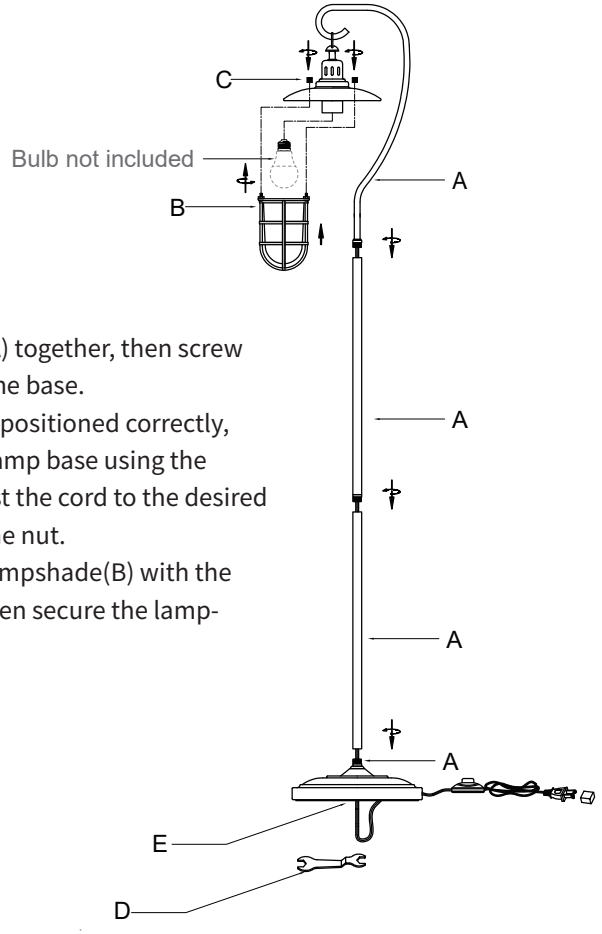

A.Lamp x1

B.Lampshade x1

C.Screw x2

D.Wrench x1

① Screw the lamp poles(A) together, then screw the assembled pole into the base.
② If the power cord is not positioned correctly, loosen the nut(E) on the lamp base using the supplied wrench(D). Adjust the cord to the desired position, then retighten the nut.
③ Align the holes in the lampshade(B) with the holes in the lamp head, then secure the lamp-shade with the screws(C).
