

PRODUCT DESCRIPTION

Effortlessly elegant, the biophilic details that adorn this classic chandelier transports you to an oasis indoors. The design, whether brilliantly gilt in Gold Leaf or hand painted in a dramatically textural Anthracite finish, exudes a timeless quality that is sure to please. The graceful form of these fixtures is constructed of slender metal tubes that sprout from a spherical collector at the center and Off-White metal candle covers that are designed to last.

*Height from center of outlet to the top of the fixture
