- 2). Refer to Parts List and Hardware List, and ensure parts and hardware are correct before assembly.
Contact customer service for missing parts.
- 3). Place all wooden parts on a clean, flat and soft surface (e.g. carpet or rug) to prevent scratch and damage to parts.
- 4). Allow ample room for assembly and assemble the product near where the product will be placed.
- 5). During assembly, do not over-tighten any fittings as this may cause damage.
- 6). Always place the product on a flat, level surface.

2. CARE AND MAINTENANCE

- 1). KEEP ALL HARDWARE PARTS OUT OF REACH OF CHILDREN.
- 2). Wipe clean with a soft, dry cloth; avoid the use of harsh chemicals or household cleaners as they may damage the exterior finish of the furniture.
