

CHAPMAN OUTDOOR DINING CHAIR

FRS17

H: 29.5 IN, W: 26 IN, D: 24 IN

Willow Plain Weave

Contract Suitable As Is

With a retro appeal, our Chapman chair is both nostalgic and completely contemporary. The bohemian influence of 1970s avant-garde wicker inspired the macrame rope seat and woven back. Crafted of willow teak wood and synthetic rope, its cape-style back offers a decorative detail that will draw the eye from any corner of the room. Finish will vary.
