

Features

- Includes face plate with Industrial handle.
- Single Industrial handle provides on/off activation and volume control.
- Coordinates with Components faucets and accessories to complete your bathroom.
- Supplied with metal Industrial handle.

Material

- Premium material construction with metal handle ensures reliability and durability.
- KOHLER finishes resist corrosion and tarnishing, exceeding industry durability standards.

Installation

- Trim set requires valve to complete installation.
- Patented K-joint installation technology ensures consistent trim appearance, regardless of variability in valve rough-in.
