

### **End table**

With a vibrant purple mineral top and striking gold tapered legs, the Malachite Side table is like jewelry for your room. The natural malachite inlay top boasts a dazzling emerald green, beautifully complemented by the aged gold of satin brass legs and accents. Settle it near your favorite accent chair for noteworthy living room pair, or use it as a bar table to corral all of your beverage accessories in one stylish place. Together with its elegantly simple lines, this piece will make an arresting focal point anywhere in your home. The Purple mineral base accents the marble top to create a sophisticated look. You can create your own pub in your family or Rec room, where family and friends will feel welcome to gather for snacks and cocktails.
