CARE AND MAINTENANCE

Always use felt pads under all article to prevent discoloration or softening of the lacquer. Plastic and rubber bases on items can discolor product. Wipe up spills immediately and avoid common hazards such as hot dishes, harsh solvents and abrasives. Cleaning should be done with a soft lint free cotton cloth dampened with water or furniture polish. On highly used surfaces we recommend applying a quality paste wax which should be used on a regular basis to provide additional spills. How often you apply the wax depends on how much wear the furniture receives.
